

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR COLUMBIA COUNTY, OREGON

In the Matter of Approving FY 2023-2024 Solid Waste
Collection Rates

ORDER NO. 27-2023

WHEREAS, Section 5.01(A) of the Columbia County Solid Waste Management Ordinance (SWMO) authorizes the Board of County Commissioners (Board), upon its own recommendation or the recommendation of the Solid Waste Advisory Committee (SWAC), to approve and establish rate adjustments; and

WHEREAS, Section 5.01(A)(4) of the SWMO authorizes the Board to increase or decrease rates based on the cost of doing business; and

WHEREAS, Section 5.01(B) of the SWMO provides that the Board shall give due consideration to a number of factors in determining whether to increase or decrease rates based on the cost of doing business; and

WHEREAS, Section 5.01(B)(6) of the SWMO identifies one such factor as providing for a reasonable rate of return to the franchisee based upon a percentage of gross receipts under the franchise; and

WHEREAS, in implementing this requirement the SWAC has adopted a policy of keeping rates at a level that supports an operating margin of between 8-14%; and

WHEREAS, to meet that goal, SWAC recommends a hauler-requested rate adjustment to the Board when the operating margin for the franchise area falls below 8%. In doing so it targets an operating margin falling in the middle of the 8-14% range; and

WHEREAS, Section 5.01(B)(8) of the SWMO identifies another factor to be considered by the Board as the cost to the franchisee of the disposal of the solid waste it collects; and

WHEREAS, in implementing this requirement the SWAC has adopted a policy of recommending rate increases to cover increases in the disposal fee charged by the County Transfer Station; and

WHEREAS, Transfer Station disposal rates are adjusted each year based on the prior year CPI. This year's CPI adjustment of 5.1% will take effect on July 1, 2023; and

WHEREAS, on May 4, 2023, the SWAC At-Large Members and County Staff reviewed Detailed Cost Reports (DCRs) and proposed rate adjustments submitted by the County's two solid waste collection franchises, Waste Management and Waste Connections; and

WHEREAS, based upon their review of the Waste Management DCR's the SWAC At-Large Members and County Staff have concluded that their current rates provide for an operating

margin withing the acceptable range and therefore recommend that rates for Waste Management customers only be adjusted to account for the increase in Transfer Station disposal fees. The proposed new rates are shown in Attachment A hereto; and

WHEREAS, based upon their review of the Waste Connections DCR's the SWAC At-Large Members and County Staff have concluded that current rates do not provide Waste Connections an operating margin across its three service areas that is withing the acceptable range. Therefore, its recommend that rates for its Waste Connections customers be increased 7.5%. This is sufficient to cover the increase in the Transfer Station disposal fees and bring the average operating margin for its three service areas to 12%, within the mid-range of the acceptable range: and

WHEREAS, following proper notice, the Board held a hearing on June 14, 2023, to consider the rate and fee proposals; and

NOW, THEREFORE, IT IS HEREBY ORDERED, as follows:

1. The Board of County Commissioners adopt the recommendations of the Solid Waste Advisory Committee as well as its findings and conclusions as its own.
2. The rates for solid waste collection for the rural Scappoose and Vernonia service areas shall be adjusted to account for the increase in the Transfer Station disposal fees. The resulting new rates are shown in Attachment A hereto, which by this reference is incorporated as part of this order.
3. The rates for the rural Clatskanie, rural St Helens, and rural Rainier service areas shall be increased 7.5% to account for the increase in the Transfer Station disposal fees and to assure an appropriate operating margin to Waste Connections. The resulting new rates are shown in Attachment B hereto, which by this reference is incorporated as part of this order.
4. The changes to rates and fees authorized under this Board Order shall take effect July 1, 2023.

Dated this 14 day of June, 2023.
