You don't often get email from ryanbonifer@gmail.com. [Learn why this is important](#)

As a Union Ironworker living in Scappoose, I support this project based on the following merits.

1. Short/mid/long term work for Columbia Co residents.
2. A boon in economic activity for years to come.
3. This is one more step in energy independence for our local governments.

Thank you for your time and this opportunity to speak on our opinions.
