

In the matter of Reconsideration of Final Order # 8-2023

5/31/2023

The submittal into the record of the 1966 deed does not change any of the outstanding issues, as noted in previous comments already entered into the record, thus this application should still be denied.

There are also additional documents that are being introduced that were not "NOTICED" , and I, Tina King, AM OBJECTING TO THEM BEING ENTERED INTO THE RECORD.

I OBJECT TO THE INCLUSION OF THE LAND SALE CONTRACT dated Oct 1967: Book 167 and pages 22,23,24,25, and 26. AS NOTICED, ONLY THE 1966 DEED (Book 162 Page 460) WAS THE ONLY DEED TO BE INTRODUCED AND TO BE COMMENTED UPON, not a subsequent land sale contract, that is not part of the deed because it is part of a different year book and volume in Columbia County RECORDS, from the year 1967 and not the year 1966.

Thank You,

Tina King
