Dear Board Office Administrator Jacyn Normine,

Dear Jacyn Normine and Columbia County Board of Commissioners,

Please act to protect productive farm land, Columbia River water quality and salmon returns!

Industrializing wetlands threatens the Columbia River Estuary and sensitive water resources.

Petroleum refineries, coal export facilities, ammonium nitrate fertilizer plants, explosive weapons storage facilities, wood pellet plants, and liquid tank farms do not belong on agricultural lands next to the Columbia River.

Please oppose the Port of Columbia County's effort to rezone 837 acres of high-value farmland at Port Westward.

Thank you for listening.

Sincerely yours,
Deena T. Grossman
