

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR COLUMBIA COUNTY, OREGON

In the Matter of the Livestock Attack by)
Two Dogs Owned by Frank McGuire) ORDER NO. 66-2025
)

WHEREAS, on September 10, 2025, the Columbia County Sheriff's Office received a report of a livestock attack at 24933 Warren Road, Rainier, Oregon and 77428 Alston Mayger Road Rainier, Oregon (the "Properties") by two dogs owned by Frank McGuire and residing at 77259 Alston Mayger Road, Rainier, Oregon; and

WHEREAS, the names of both dogs are unknown, but they are identified in Columbia County ("County") Animal Control Records as Dog #25-194 and Dog # 25-195 (referred to collectively herein as the "Dogs"); and

WHEREAS, September 10, 2025, Community Animal Officer (“CAO”) Keeanna Stansbury responded to the report, visited the Properties where the attacks were reported to have occurred and ascertained that the Dogs had chased, harmed and killed several chickens on both Properties; and

WHEREAS, while at the Properties, CAO Stansbury inspected and took photographs of the Properties, took pictures of multiple deceased chickens and took statements of the residents of the properties where the attacks occurred, as well as other witnesses; and

WHEREAS, CAO Stansbury has completed an Incident Report, attached hereto as “Exhibit A”; and

WHEREAS, in accordance with ORS 609.156, the County duly provided Frank McGuire with notice of the opportunity to request a hearing within 14 days of the date that said notice was sent to McGuire by the County; and

WHEREAS, the County did not receive a request for a hearing on this matter within 14 days of the date that said notice was sent; and

WHEREAS, pursuant to ORS 609.156, when a timely request for a hearing is not made, the dog owner is conclusively presumed to have admitted the matter alleged and the County is authorized to take immediate action under ORS 609.162 and 609.163 without undertaking a hearing on the matter; and

WHEREAS, CAO Stansbury has provided the Board of Commissioners ("Board") with a list of recommendations, included recommended findings, attached hereto as "Exhibit B"; and

WHEREAS, CAO Stansbury has determined that Dog #25-194 does not have a prior history of chasing, harming or killing livestock; and

WHEREAS, CAO Stansbury has determined that Dog #25-195 has a prior history of killing livestock; and

WHEREAS, CAO Stansbury has recommended that the Board of Commissioners (the "Board") impose a civil penalty of \$500.00 under ORS 609.162(1)(c) for the killing of livestock by Dog #25-194 because CAO Stansbury has found that Dog #25-194 does not have a history of chasing, harming or killing livestock; and

WHEREAS, CAO Stansbury has recommended that the Board impose a civil penalty of \$500.00 under ORS 609.162(1)(c), for the killing of livestock by Dog #25-195, and an additional \$500 under ORS 609.163 because CAO Stansbury has found that Dog #25-195 has a history of previously killing livestock; and

WHEREAS, CAO Stansbury has recommended requiring that the Board require payment of the County's standard \$30.00 impound fee, as well as the standard \$20.00 per day boarding fee for holding the dog at the County's Animal Shelter; and

WHEREAS, the Board of County Commissioners has considered CAO Stansbury's Incident Report on this matter, along with CAO Stansbury's recommendations;

NOW, THEREFORE, based on the evidence presented, including Exhibit A, Exhibit B, the other contents of the record compiled for this matter, and the above recitals, the Board of County Commissioners makes the following findings and conclusions:

1. On September 10, 2025, the two unnamed pit bull dogs described above, identified in County Records as Dog #25-194 and Dog #25-195, while at large and off of property where they reside, attacked and killed several chickens belonging to Michelle Krueger at 77428 Alston Mayger Road, Rainier, Oregon and also attacked and killed several chickens belonging to Tommy Hanson at 24933 Warren Road, Rainier, Oregon.
2. Both Dog #25-194 and Dog #25-195 were unlicensed at the time of the incident.
3. Dog #25-195 has previously been involved in an incident at 24933 Warren Road, Rainier, Oregon where livestock animals belonging to Tommy Hanson were killed.
4. Frank McGuire is the owner of Dog #25-194 and Dog #25-195 and was sent notice of his right to request a hearing on September 24, 2025, but did not request a hearing on this matter within 14 days of the date the notice was sent, as required by ORS 609.156.
5. Neither Frank McGuire, nor any other owner or keeper of Dog # 25-194 and/or Dog #25-195 has contacted the County in any attempt to resolve this matter, request a hearing or provide a pledge of action that they would take to prevent the 2 dogs from harming/chasing livestock.
6. Based on observations of CAO Stansbury, the Board finds that both Dog #25-194 and Dog #25-195 are a bonded pair of mixed Pitbull Terrier-breed dogs, that they are both highly prey driven, that they both pose a continuing threat to any livestock or other

small animals and that neither dog would be valid candidate for processing by the Animal Control shelter for adoption.

NOW, THEREFORE, IT IS HEREBY ORDERED based on the foregoing and the record before the Board of Commissioners:

1. Pursuant to ORS 609.162(1)(c), a civil penalty of \$500.00 is hereby imposed for Dog #25-194's involvement in the killing of multiple chickens at the Properties as a dog that does not have a record of previously killing livestock.
2. Pursuant to ORS 609.162(1)(d), a civil penalty of \$1,000.00 is hereby imposed for Dog #25-195's involvement in the killing of multiple chickens at the Properties, as a dog with a documented record of previously killing livestock.
3. Pursuant to ORS 609.163(3), an additional civil penalty of \$1,000.00 is hereby imposed for Dog #25-194 not being properly licensed with the County as required.
4. Pursuant to ORS 609.163(3), an additional civil penalty of \$1,000.00 is hereby imposed for Dog #25-195 not being properly licensed with the County as required.
5. Pursuant to ORS 609.162(1)(c)(B), the Board hereby orders that Dog #25-194 be humanely euthanized, as one of a bonded pair of mixed Pitbull Terrier-breed dogs that is highly prey driven and poses a continuing threat to any livestock or other small animals, and that is not a valid candidate for processing by the Animal Control Shelter for adoption.
6. Pursuant to ORS 609.162(1)(d), the Board hereby orders that Dog #25-195 be humanely euthanized, as one of a bonded pair of mixed Pitbull Terrier-breed dogs that is highly prey driven and poses a continuing threat to any livestock or other small animals, is not a valid candidate for processing by the Animal Control Shelter for adoption, and has previously killed livestock.
7. An impound fee of \$30.00 and a daily boarding fee of \$20.00 shall be charged for each of the Dogs.

// //

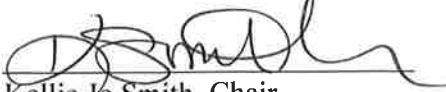

// //

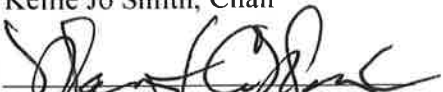

// //

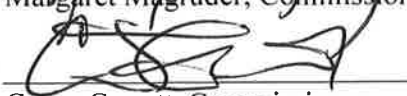

8. CAO Stansbury shall cause notice of the civil penalties imposed herein to be provided to the Oregon Department of Agriculture in accordance with ORS 609.166.

DATED this 29 day of October, 2025.

Incident Report

Summary:

On 9/10/2025, I responded to a call of loose pit bulls on Geneva Krueger's property. The dogs were reported to have killed a neighbor's chickens.

Narrative:

On 9/10/2025 at approximately 2:00 pm, I responded to a complaint at 77397 Alston Mayger Road, Rainier Oregon, where it was reported that there were two pit bull type dogs running loose. The caller also reported that the two dogs had killed a neighbor's chickens. Officer Roger Kadell was riding with me as a trainer.

When we arrived on scene there were several people standing at the roadside. I then made contact with Geneva Krueger the reporting party. She advised that the two dogs had just left her property and had gone down to a neighboring property on the opposite side of the road. From this location we could see the two dogs laying down by the mailbox at 77284 Alston Mayger Road. Roger and I drove down and secured the two dogs into our truck. Although the dogs were laying here it did not appear that they resided at the location.

The two dogs located were Pit bull mixed breeds. The female that is white with red/tan spots is the older of the two. The second dog was a red/tan female, and it appeared that the dog may be an offspring of the older female dog.

We returned to 77425 Alston Mayger Road, where I spoke with Jeff Peterson who stated that the two dogs came onto the back side of his property. Jeff stated that he did shoot at the tan dog with a BB gun which caused the dog to run off. Jeff identified the two dogs in our truck as the offending dogs.

I spoke with Michelle Krueger and Shirley Baker who reside at 77428 Alston Mayger Rd. Shirley told me that the two dogs had killed three of her chickens and that several of her chickens were still missing. Shirley walked with me around her property where I observed 5-7 locations where there were significant piles of feathers, indications of a dog attack on her birds. Shirley informed me that she had bagged the three deceased chickens so that the child that resides at the property did not see them. I discretely removed the animals from the trash and captured photos of the deceased chickens and assisted Michelle in taking the harnesses off of two of the chickens. I provided my card to Michelle and advised to confirm with me how many chickens were missing in the following days.

After statements and photos were taken, I drove to 24853 Warren Rd. This property has had past issues of dogs running loose and chasing a neighbor's chickens. While viewing the property, I noted there were several motorhomes one of which had two dogs tethered to it. One was a white great Pyrenees and the other a black and white border collie. After returning to the shelter, Roger and I took photos of the two dogs and secured them in a kennel. They were then posted on the Animal Control Facebook page.

On 9/11/2025, I received an incident report from a Tommy Hanson. Tommy called to report that a neighbor's dog had killed some of their chickens. I arrived at Tommy's property at approximately 12:20pm in respond to the call. I was unable to make contact with Tommy. I left my card and waiting for their response.

Incident Report

Upon review of animal control records, I found that Tommy Hanson had called in and identified that the dogs posted on the Animal Control Facebook page belonged to a person named Frank at 77259 Alston Mayger Rd. Further searches on Facebook provided a comment on the post by a Reza Wallace who identified the owners as Caitlin Bennett and Frank McGuire. I also found a photo on Frank McGuire's Facebook page of what appeared to be one of the same dogs currently impounded the white with tan spots as well as one brown eye and one blue eye.

On 9/19/2025, Michelle messaged me and informed me that 2 chickens never returned, that 2 chickens returned with injuries, and 1 chicken has injuries that remained home. That included with the 3 deceased chickens. Michelle has a total loss of 5 chickens and had 3 chickens that suffered injuries.

Included are several photos taken at 77428 Alston Mayger Rd., intake photos of the dogs, and screenshots from Facebook.

Based on my investigation, I have determined that the two dogs resided at the address of 77259 Alston Mayger Road, Rainier Oregon. That the owner of the property is Sherry McGuire who is currently suffering from dementia. That her son Frank McGuire lives on the property and is the owner of the two dogs impounded for killing livestock.

My investigation also finds that the two dogs while off their property did chase, harm and kill livestock animals (chickens) belonging to the victim Michelle Krueger, A complaint for chasing harming and killing livestock will be filed with the County Attorney for presentation to the board of commissioner.

Makes the following recommendations:

1. That the County find that on September 10th the two unnamed pit bull dogs identified by the county as dogs 25-194 and 25-195, that while at large and off property, attacked and killed several chickens belonging to Michelle Krueger at 77428 Alston Mayger Rd., Rainier, Oregon and attacked and killed several chickens belonging to Tommy Hanson at 24933 Warren Rd., Rainier, Oregon.
2. That the County find that the investigation determined that the two Pit bull dogs #25-194 and 25-195 were unlicensed at the time of the incident.
3. That the County find that from the Community Animal Officers investigation, that dog 25-195 had been involved in a prior case in which livestock animals were killed belonging to Tommy Hanson at 24933 Warren Rd., Rainier, Oregon. In this prior incident, Tommy Hansen called in a complaint with photos that they caught one of the dogs (25-195) in their chicken coop with deceased chickens. Frank McGuire informed Animal Control that he would be getting rid of the dog and paying for the chickens.
4. That the owner Frank McGuire was sent notification to request a hearing by the county and as of 10/13/2025 the County has received no notice or request for a hearing.
5. That neither Frank McGuire or any other owner or keeper of the dogs # 25-194 and 25-195 has contacted the County in any attempt to resolve this matter, request a hearing or provide a pledge of action that they would take to prevent the 2 dogs from harming/chasing livestock.
6. That the Shelters observations of the dogs #25-194 and 25-195 By Officer Stansbury finds that the two dogs are a bonded pair of Pit bull Terrier dogs, that they are highly prey driven, that they are a threat to any livestock animal or other small animals and that they would not be candidates for processing by the shelter for adoption.
7. That the County order a minimum fine in the amount of \$500 per dog. 609.162 (d) and that this fine be enhanced under ORS 609.163 to \$1000 per dog due to the dogs being unlicensed.
8. That the County order that the dogs #25-194 and 25-195 be humanely euthanized by the County. 609.162 (d).
