SECTION 3 - DISBURSEMENTS

- (1) This Contract duly signed by an authorized officer of Recipient.
 - (2) Such other certificates, documents, opinions and information as IFA may reasonably require.
- B. Conditions to Disbursements. As to any disbursement, IFA has no obligation to disburse funds unless all following conditions are met:
- (1) There is no Default or Event of Default.
 - (2) The representations and warranties made in this Contract are true and correct on the date of disbursement as if made on such date.
 - (3) The IFA, in the reasonable exercise of its administrative discretion, has sufficient moneys in the Fund for use in the Project and has sufficient funding, appropriations, limitations, allotments and other expenditure authority to make the disbursement.
 - (4) The IFA (a) has received a completed Disbursement Request, (b) has received any written evidence of materials and labor furnished to or work performed upon the Project, itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as IFA may require, (c) is satisfied that all items listed in the Disbursement Request are reasonable and that the costs for labor and materials were incurred and are properly included in the Costs of the Project, and (d) has determined that the disbursement is only for costs defined as eligible costs under the Act and any implementing administrative rules and policies.
 - (5) Department receives and approves evidence of OR Emergency Management / FEMA approval of activities as described in the approved Project Worksheets and their payment of 75% of the requested reimbursement.
 - (6) Recipient has delivered documentation satisfactory to IFA that, in addition to the Financing Proceeds, Recipient has available or has obtained binding commitments for all funds necessary to complete the Project.
 - (7) Any conditions to disbursement elsewhere in this Contract are met.

SECTION 5 - USE OF FINANCIAL ASSISTANCE

- A. Use of Proceeds. The Recipient shall use the Financing Proceeds only for the activities described in Exhibit B and according to the budget in Exhibit C. Recipient may not use any of the Grant proceeds for costs that are not allowed under the FEMA Project Worksheets described in Exhibit B or not in the Project Budget.
- B. Costs of the Project. The Recipient shall apply the Financing Proceeds to the Costs of the Project in accordance with the Act, and Oregon law as applicable. Financing Proceeds cannot be used for costs in excess of one hundred percent (100%) of the total Costs of the Project and cannot be used for pre-Award Costs of the Project, unless permitted by Exhibit B. Total disbursements under this Grant shall not exceed the total local matching funds requirement for federal disaster relief or 25 percent of the total Costs of the Project, whichever is less.
- C. Costs Paid for by Others. The Recipient may not use any of the Financing Proceeds to cover costs to be paid for by other financing for the Project from another State of Oregon agency or any third party.

SECTION 6 - REPRESENTATIONS AND WARRANTIES OF RECIPIENT

The Recipient represents and warrants to IFA:

- A. Estimated Project Cost. A reasonable estimate of the Costs of the Project is shown in Section 1, and the Project is fully funded.
- B. Organization and Authority.
- (1) The Recipient is a "Municipality" under the Act, and validly organized and existing under the laws of the State of Oregon.
 - (2) The Recipient has all necessary right, power and authority under its organizational documents and under Oregon law to (a) execute and deliver this Contract, and (b) incur and perform its obligations under this Contract.
 - (3) This Contract, executed and delivered by Recipient has been authorized by an ordinance, order or resolution of Recipient's governing body, and voter approval, if necessary, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings.
 - (4) This Contract has been duly executed by Recipient, and when executed by IFA, is legal, valid and binding, and enforceable in accordance with its terms.
- C. Full Disclosure. The Recipient has disclosed in writing to IFA all facts that materially adversely affect the Project, or the ability of Recipient to perform all obligations required by this Contract. The Recipient has made no false statements of fact, nor has it omitted information necessary to prevent any statements from being misleading. The information contained in Exhibit B and Exhibit C is true and accurate in all respects.
- D. Pending Litigation. The Recipient has disclosed in writing to IFA all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Project or the ability of Recipient perform all obligations required by this Contract.
- E. No Defaults.
- (1) No Defaults or Events of Default exist or occur upon authorization, execution or delivery of this Contract.
 - (2) The Recipient has not violated, and has not received notice of any claimed violation of, any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Recipient to perform all obligations required by this Contract.
- F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.

- G. Governmental Consent. The Recipient has obtained or will obtain all permits and approvals, and has made or will make all notifications, declarations, filings or registrations, required for the making and performance of its obligations under this Contract, and undertaking and completion of the Project.

SECTION 7 - COVENANTS OF RECIPIENT

The Recipient covenants as follows:

- A. Notice of Adverse Change. Recipient shall promptly notify IFA of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient or the Project related to the ability of Recipient to perform all obligations required by this Contract.
- B. Compliance with Laws. The Recipient shall comply with all applicable laws, rules, regulations and orders of any court or governmental authority that relate to this Contract, the Project and the operation of the road system of which the Project is a component. In particular, but without limitation, Recipient shall comply with the following, as applicable:
- (1) State procurement regulations found in the Oregon Public Contracting Code, ORS Chapter 279A, 279B and 279C.
 - (2) State labor standards and wage rates found in ORS Chapter 279C.
- These laws, rules, regulations and orders are incorporated by reference in this Contract to the extent required by law.
- C. Project Completion Obligations. Recipient shall:
- (1) Provide IFA with copies of all plans and specifications relating to the Project.
 - (2) Provide a copy of the bid tabulation and notice of award to IFA.
 - (3) Permit IFA to conduct field engineering and inspection of the Project at any time.
 - (4) Complete the Project using its own fiscal resources or money from other sources to pay for any Costs of the Project in excess of the total amount of financial assistance provided pursuant to this Contract.
 - (5) Complete the Project no later than the Project Completion Deadline.
 - (6) No later than the Project Closeout Deadline, provide IFA with a final project completion report on a form provided by IFA, including Recipient's certification that the Project is complete, all payments are made, and no further disbursements are needed; provided however, for the purposes of this Contract, IFA will be the final judge of the Project's completion.
 - (7) Obtain and maintain as-built drawings for all facilities constructed as part of the Project.
- D. Ownership of Project. The Project is and will continue to be owned by Recipient for five years after the Project Completion Date. The Project will be operated by Recipient or by a person under a management contract or operating agreement with Recipient. Any such management contract or operating agreement will be structured as a "qualified management contract" as described in IRS Revenue Procedure 97-13, as amended or supplemented.

- E. Operation and Maintenance of the Project. Recipient shall operate and maintain the Project in good repair and operating condition so as to preserve the long term public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements. On or before the Project Closeout Date, Recipient shall adopt a plan acceptable to IFA for the on-going operation and maintenance of the Project without reliance on IFA financing and furnish IFA, at its request, with evidence of such adoption. The plan must include measures for generating revenues sufficient to assure the operation and maintenance of the Project during the usable life of the Project.
- F. Insurance, Damage. The Recipient shall maintain, or cause to be maintained, until five years after the Project Completion Date, insurance policies with responsible insurers or self insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by governmental units constructing, operating and maintaining similar facilities. Nothing in this provision precludes Recipient from exerting a defense against any party other than IFA, including a defense of immunity.
- G. Sales, Leases and Encumbrances. Unless specifically described in Exhibit B, Recipient shall not sell, lease, exchange, abandon, transfer or otherwise dispose of any substantial portion of or interest in the Project unless worn out, obsolete, or, in the reasonable business judgment of Recipient, no longer useful in the operation of the Project. Nevertheless, IFA may consent to such disposition if it has received 90 days' prior written notice from Recipient. Such consent may be conditioned upon receipt by IFA of an opinion of Bond Counsel to the effect that such disposition complies with applicable law and will not adversely affect the exclusion of interest on any Lottery Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code. The term "Bond Counsel" means a law firm determined by IFA to have knowledge and expertise in the field of municipal law and whose opinions are generally accepted by purchasers of municipal bonds.
- H. Records; Accounts. The Recipient shall keep accurate books and records for the use of all Financing Proceeds and the expenditure or utilization of all resources used in the Project, separate and distinct from its other books and records, and maintain them according to generally accepted accounting principles established by the Government Accounting Standards Board in effect at the time.
- I. Inspections; Information. The Recipient shall permit IFA and any party designated by IFA: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters. The Recipient shall supply any related reports and information as IFA may reasonably require.
- J. Records Maintenance. Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Contract, the Project or the Financing Proceeds for a minimum of six years, or such longer period as may be required by other provisions of this Contract or applicable law, following the later of the Project Closeout Deadline, actual completion of the Project or final completion and satisfaction of all reporting requirements of Recipient under this Contract. If there are unresolved issues at the end of the six-year period, Recipient shall retain the books, documents, papers and records until the issues are resolved.
- K. Economic Benefit Data. The IFA may require Recipient to submit specific data on the economic development benefits of the Project and other information to evaluate the success and economic impact of the Project, from the date of this Contract until six years after the Project Completion date. The Recipient shall, at its own expense, prepare and submit the data within the time specified by IFA.

- L. Minority, Women & Emerging Small Business. ORS 200.090 requires all public agencies to "aggressively pursue a policy of providing opportunities for available contracts to emerging small businesses..." The IFA encourages Recipient in any contracting activity to follow good faith efforts as described in ORS 200.045, available at <http://www.leg.state.or.us/ors/200.html>. Additional resources are provided by the Governor's Advocate for Minority, Women & Emerging Small Business at <http://egov.oregon.gov/Gov/MWESB/index.shtml>. Also, the Office of Minority, Women, and Emerging Small Business at the Oregon Business Development Department maintains a list of certified firms and can answer questions. Search for certified MWESB firms on the web at: <http://imd10.cbs.state.or.us/ex/dir/omwesb/>.
- M. Professional Responsibility. A professional engineer or architect, as applicable, registered and in good standing in Oregon, will be responsible for the design and construction of the Project. All service providers retained for their professional expertise will be certified, licensed, or registered, as appropriate, in the State of Oregon for their specialty. Recipient shall follow standard construction practices, such as bonding requirements for construction contractors, requiring errors and omissions insurance, and performing testing and inspections during construction.
- N. Notice of Default. The Recipient shall give IFA prompt written notice of any Default as soon as any senior administrative or financial officer of Recipient becomes aware of its existence or reasonably believes a Default is likely.
- O. Indemnity. To the extent authorized by law, Recipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless IFA and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys fees incurred related to any actual or alleged act or omission by Recipient, or its employees, agents or contractors; however, the provisions of this Section are not to be construed as a waiver of any defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the laws of the United States or other laws of the State of Oregon.
- P. Further Assurances. The Recipient shall, at the request of IFA, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as IFA reasonably determines may be necessary or desirable.
- Q. Exclusion of Interest from Federal Gross Income and Compliance with Code.
- (1) The Recipient shall not take any action or omit to take any action that would result in the loss of the exclusion of the interest on any Lottery Bonds used by IFA to fund the Financing Proceeds from gross income for purposes of federal income taxation, as governed by Section 103(a) of the Code. IFA may decline to disburse Financing Proceeds if it finds that the federal tax exemption of the Lottery Bonds cannot be assured.
 - (2) The Recipient shall not take any action (including but not limited to the execution of a management agreement for the operation of the Project) or omit to take any action that would cause any Lottery Bonds to be "private activity bonds" within the meaning of Section 141(a) of the Code. Accordingly, unless Recipient receives the prior written approval of IFA, Recipient shall not permit in excess of ten percent (10%) of either (a) the Financing Proceeds or (b) the Project financed or refinanced with the Financing Proceeds to be directly or indirectly used in any manner that would constitute "private business use" within the meaning of Section 141(b)(6) of the Code, including not permitting more than one half of any permitted private business use to be "disproportionate related business use" or private business use unrelated to the government use of the Financing Proceeds. Unless Recipient receives the prior written approval of IFA, Recipient shall not directly or indirectly use any Financing Proceeds

to make or finance loans to persons other than governmental units, as that term is used in Section 141(c) of the Code.

- (3) The Recipient shall not directly or indirectly use or permit the use of any of the Financing Proceeds or any other funds, or take any action or omit to take any action, which would cause any Lottery Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.
- (4) The Recipient shall not cause any Lottery Bonds to be treated as "federally guaranteed" for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to "federally guaranteed" obligations described in Section 149(b) of the Code. For purposes of this paragraph, any Lottery Bonds will be treated as "federally guaranteed" if: (a) all or any portion of the principal or interest is or will be guaranteed directly or indirectly by the United States of America or any agency or instrumentality thereof, or (b) five percent (5%) or more of the proceeds of the Lottery Bonds will be (i) used in making loans if the payment of principal or interest that is guaranteed in whole or in part by the United States of America or any agency or instrumentality thereof, or (ii) is invested directly or indirectly in federally insured deposits or accounts, and (c) none of the exceptions described in Section 149(b)(3) of the Code apply.
- (5) The Recipient shall assist IFA to ensure that all required amounts are rebated to the United States of America pursuant to Section 148(f) of the Code. Recipient shall, at the request of IFA, cooperate with IFA to provide information IFA may need to compute any arbitrage rebate payments which may be due in connection with the Lottery Bonds. Recipient shall, at the request of IFA, report any information on expenditure of amounts that are paid to the Recipient under this Agreement, which IFA reasonably requires to comply with the arbitrage compliance and rebate requirements which apply to the Lottery Bonds. The Recipient further shall reimburse IFA for the portion of any expenses it incurs related to the Financing Proceeds that is necessary to satisfy the requirements of Section 148(f) of the Code.
- (6) Upon IFA's request, Recipient shall furnish written information regarding its investments and use of Financing Proceeds, and of any facilities financed or refinanced therewith, including providing IFA with any information and documentation that IFA reasonably determines is necessary to comply with the arbitrage and private use restrictions that apply to the Lottery Bonds.
- (7) Notwithstanding anything to the contrary, so long as is necessary to maintain the exclusion from gross income for purposes of federal income taxation of interest on any Lottery Bonds, the covenants contained in this subsection will survive the payment of the Lottery Bonds, and the interest thereon, including the application of any unexpended Financing Proceeds. The Recipient acknowledges that the Grant may be funded with the proceeds of the Lottery Bonds and that failure to comply with the requirements of this subsection could adversely affect any exclusion of the interest on the Lottery Bonds from gross income for federal income tax purposes.

- (8) The Recipient may use the Financing Proceeds to reimburse itself for Project expenditures made prior to the funding of the Grant only if permitted by Exhibit B and only if such reimbursement is allowed under one of the following four categories pursuant to 26 C.F.R. §1.150-2:
- (a) Preliminary expenditures such as architectural, engineering, surveying, soil testing, bond issuance and similar costs that, in the aggregate, are not in excess of 20% of the proceeds of the Loan and grant. Costs of land acquisition, site preparation and similar costs incident to commencement of construction are not preliminary expenditures.
 - (b) Expenditures for issuance costs.
 - (c) Expenditures that are described in a reimbursement resolution or other declaration of official intent that satisfies the requirements of 26 C.F.R. §1.150-2 and paid no earlier than 60 days prior to the adoption of such resolution or official intent.
 - (d) Expenditures paid within 60 days prior to the date the Grant is funded.

SECTION 8 - DEFAULTS

Any of the following constitutes an "Event of Default":

- A. Any false or misleading representation is made by or on behalf of Recipient, in this Contract, or in any document provided by Recipient related to the Project, or in regard to compliance with the requirements of Section 103 and Sections 141 through 150 of the Code.
- B. Recipient fails to perform any obligation required under this Contract, other than that referred to in subsection A of this section 8, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by IFA. The IFA may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

SECTION 9 - REMEDIES

- A. Remedies. Upon any Event of Default, IFA may pursue any or all remedies in this Contract, and any other remedies available at law or in equity to enforce the performance of any obligation of Recipient. Remedies may include, but are not limited to:
 - (1) Terminating IFA's commitment and obligation to make the Grant or disbursements under the Contract.
 - (2) Barring Recipient from applying for future awards.
 - (3) Withholding amounts otherwise due to Recipient for application to the payment of amounts due under this Contract, including as provided in ORS 285B.449; however, this provision is not to be construed in a way that Recipient's obligations would constitute debt that violates Section 10, Article XI of the Oregon Constitution.
 - (4) Requiring repayment of the Grant and all interest earned by Recipient on those Grant funds.
- B. Application of Moneys. Any moneys collected by IFA pursuant to section 9.A will be applied first, to pay any attorneys fees and other fees and expenses incurred by IFA; second, as applicable, to repay any Grant proceeds owed; third, to pay any other amounts due and payable under this Contract.

- C. No Remedy Exclusive; Waiver; Notice. No remedy available to IFA is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Contract shall preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. The IFA is not required to provide any notice in order to exercise any right or remedy, other than notice required in section 8 of this Contract.
- D. Default by IFA. In the event IFA defaults on any obligation in this Contract, Recipient's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of IFA's obligations.

SECTION 10 - MISCELLANEOUS

- A. Time is of the Essence. Recipient agrees that time is of the essence under this Contract.
- B. Relationship of Parties; Successors and Assigns; No Third Party Beneficiaries.
- (1) The parties agree that their relationship is that of independent contracting parties and that Recipient is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265.
 - (2) Nothing in this Contract gives, or is to be construed to give, directly or indirectly, to any third persons any rights and benefits greater than those enjoyed by the general public.
 - (3) This Contract will be binding upon and inure to the benefit of IFA, Recipient, and their respective successors and permitted assigns.
 - (4) Recipient may not assign or transfer any of its rights or obligations or any interest in this Contract without the prior written consent of IFA. The IFA may grant, withhold or impose conditions on such consent in its sole discretion. In the event of an assignment, Recipient shall pay, or cause to be paid to IFA, any fees or costs incurred because of such assignment, including but not limited to attorneys fees of IFA's Counsel and Bond Counsel. Any approved assignment is not to be construed as creating any obligation of IFA beyond those in this Contract, nor does assignment relieve Recipient of any of its duties or obligations under this Contract.
 - (5) Recipient hereby approves and consents to any assignment or transfer of this Contract that the IFA deems to be necessary.
- C. Disclaimer of Warranties; Limitation of Liability. The Recipient agrees that:
- (1) The IFA makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the project or any portion of the project, or any other warranty or representation.
 - (2) In no event are IFA or its agents liable or responsible for any direct, indirect, incidental, special, consequential or punitive damages in connection with or arising out of this Contract or the existence, furnishing, functioning or use of the Project.

- D. Notices. All notices to be given under this Contract must be in writing and addressed as shown below, or to other addresses that either party may hereafter indicate pursuant to this section. Notices may only be delivered by personal delivery or mailed, postage prepaid. Any such notice is effective five calendar days after mailing, or upon actual delivery if personally delivered.

- E. No Construction against Drafter. This Contract is to be construed as if the parties drafted it jointly.
- F. Severability. If any term or condition of this Contract is declared by a court of competent jurisdiction as illegal, invalid or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- G. Amendments, Waivers. This Contract may not be amended without the prior written consent of IFA (and when required, the Department of Justice) and Recipient. This Contract may not be amended in a manner that is not in compliance with the Act. No waiver or consent is effective unless in writing and signed by the party against whom such waiver or consent is sought to be enforced. Such waiver or consent will be effective only in the specific instance and for the specific purpose given.
- H. Attorneys Fees and Other Expenses. To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Contract is entitled to recover its reasonable attorneys fees and costs at trial and on appeal. Reasonable attorneys fees cannot exceed the rate charged to IFA by its attorneys.
- I. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Contract, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

J. Integration. This Contract (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.

K. Execution in Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

The Recipient, by its signature below, acknowledges that it has read this Contract, understands it, and agrees to be bound by its terms and conditions.
