

BEFORE THE BOARD OF COUNTY COMMISSIONERS  
FOR COLUMBIA COUNTY, OREGON

In the Matter of Exempting the Contract with Envi-     )  
Road for Asphalt Emulsion from the Competitive     )     ORDER No. 35-2014  
Bidding Requirements of ORS 279B.070     )

WHEREAS, unless otherwise exempt, ORS 279B.050 requires that public contracts for goods or services be awarded through a competitive procurement process; and

WHEREAS, under ORS 279B.075, the Board of Commissioners may exempt certain public contracts from a competitive procurement process upon approval of findings that the goods or services are available from only one source; and

WHEREAS, Earthbind Stabilizer Rejuvenating Asphalt (EBS-RA) is an environmentally friendly asphalt emulsion product for use in cold-mix road paving. EBS-RA is a proprietary product that is only available through Envi-Road; and

WHEREAS, because EBS-RA can be used with recycled asphalt, the Road Department estimates that roads paved with EBS-RA will cost the County approximately 60% less than paving with traditional hot-mix asphalt concrete (HMAC); and

WHEREAS, in an effort to reduce costs, the County would like to contract with Envi-Road for the purchase EBS-RA.

NOW, THEREFORE, IT IS HEREBY ORDERED as follows:

1. The Board finds that Envi-Road is the only contractor that can provide a cold-mix asphalt emulsion that allows for use of recycled asphalt and adopts the above recitals in support of its finding; and
2. The County is authorized to use its direct appointment procedure to contract with the Envi-Road for EBS-RA, a cold-mix asphalt emulsion.

Dated this 13<sup>th</sup> day of August, 20 14.

Approved as to form
