

BEFORE THE BOARD OF COUNTY COMMISSIONERS  
FOR COLUMBIA COUNTY, OREGON

In the Matter of the Livestock Attack by                                    )  
Dogs Owned by Nawnie Hack    )       ORDER NO. 21-2015

WHEREAS, on April 15, 2015, Animal Control Officer Roger Kadell arrived at 34050 Lawrence Road, Deer Island, in Columbia County, Oregon, in response to a call from resident Ervin Seufert, who reported that dogs had entered his sheep enclosure and had attacked his sheep; and

WHEREAS, Mr. Seufert described the dogs as a black Labrador mix, which he shot, and a Husky mix; and

WHEREAS, Officer Kadell observed a considerable amount of wool torn from the back of one of Seufert's sheep, which Seufert confirmed was caused by the dogs. Officer Kadell saw no other damage to livestock; and

WHEREAS, Officer Kadell found the black dog (referred to as "Leala,,), injured and hiding on the Seufert property and recognized it as one belonging to Nawnie Hack who resides at 33727 Canaan Road. Officer Kadell then drove to the Hack residence, where observed a Husky dog (referred to as "Pup,,) matching Mr. Seufert's description running loose on the Hack property. Both dogs are unlicensed; and

WHEREAS, in 2014, the Columbia County Board of Commissioners imposed a civil penalty on Nawnie Hack under ORS 609.162 for the livestock attack carried out by her dog Bo; and

WHEREAS, based on the information obtained during his investigation, Officer Kadell impounded Leala and Pup under ORS 609.155 for harming and chasing livestock; and

WHEREAS, pursuant to ORS 609.156, Nawnie Hack was provided notice of the opportunity to request a hearing on the impoundment of her dogs in a letter dated April 16, 2015. Ms. Hack did not request a hearing; and

WHEREAS, on May 1, 2015, Ms. Hack surrendered her dogs Leala and Pup to Columbia County; and

NOW, THEREFORE, based on the report of the Animal Control Officer on this matter, attached hereto as Exhibit A and incorporated herein by reference, and the above recitals, the Board of County Commissioners makes the following findings and conclusions:

1. Prior to surrendering the dogs, Nawnie Hack, who resides at 33727 Canaan Road, Deer Island, Oregon, was the owner of Leala, a black Labrador mix, and Pup, a Husky mix.

2. In 2014, Nawnie Hack's dog Bo attacked and harmed livestock. Through Order No. 55-2014, the Board imposed a civil penalty under ORS 609.162 and assessed costs for Bo's impoundment. To date, Nawnie Hack has paid neither the penalties nor costs imposed by that order.
3. On April 15, 2015, both Leala and Pup were impounded for chasing and harming livestock. Ms. Hack was provided notice and an opportunity to request a hearing. She did not request a hearing. ORS 609.156(2) provides that a dog owner who does not request a hearing will be conclusively presumed to have admitted the matter alleged, and the County may take immediate action to impose remedial measures, civil penalties or other sanctions. By not requesting a hearing, Ms. Hack has admitted the matters alleged – that her dogs Leala and Pup Leala and Pup chased sheep in violation of ORS 609.155 on Ervin Seufert's property at 34050 Lawrence Road, Deer Island, Oregon.
4. According to Columbia County Animal Control, neither Leala nor Pup has a prior record of killing, wounding, injuring or chasing livestock. In addition, no livestock were seriously injured in this incident. Nawnie Hack has voluntarily surrendered Leala and Pup to Columbia County and has therefore taken measures to prevent the dogs from future livestock attacks. ORS 609.162(1)(a) provides that a the County *may* impose a civil penalty of up to \$500 on the owner of a dog that chases livestock. The Board finds that because Ms. Hack surrendered her dogs – taking steps to prevent recurrence – a reduced penalty of \$100 per dog is warranted. However, because Ms. Hack has recently been found responsible for a livestock attack by a different dog and thus exhibits a disregard for the laws protecting livestock, the Board finds that an enhanced penalty of \$250 for habitual violators pursuant to ORS 609.163 is also warranted.

NOW, THEREFORE, IT IS HEREBY ORDERED, as follows:

1. The following civil penalties are imposed on Nawnie Hack:
  - a. Pursuant to ORS 609.162(1)(a), a \$100.00 penalty for the livestock attack carried out by dog Leala.
  - b. Pursuant to ORS 609.162(1)(a), a \$100.00 penalty for the livestock attack carried out by dog Pup.
  - c. Pursuant to ORS 609.163(1), an enhanced civil penalty of \$250.00 for habitual violators.
3. Pursuant to ORS 609.155(3)(a), in addition to the civil penalties imposed, above, Nawnie Hack shall pay all costs and fees arising out of the impoundment of Leala and Pup, as described in the Statement of Costs, attached hereto as Exhibit B and incorporated herein by this reference.
4. Any penalties or impoundment and boarding costs and fees imposed by this Order

shall be paid within 30 days of the date of this Order unless other arrangements are agreed to in writing by County.

DATED this 20<sup>th</sup> day of May, 2015.

SUMMARY

On April 15<sup>th</sup> at around 8 Am, two dogs belonging to the Hack family entered a fenced enclosure located at 34050 Lawrence Road, Deer Island and unlawfully attacked the sheep belonging to Ervin Seufert. During the attack, Mr Seufert shot and injured the dog Leala. Both dogs were impounded and Nawnie Hack was informed of the impound and the basis for the impound.

Due to the on going history of livestock attacks and other nuisance related issues with the Hack's dogs, Nawnie Hack was issued citation for violation of ORS 609.095 dog as a public nuisance, 609.100 unlicensed dog and one count of violation County Ordinance 92-15 non compliant with compliance orders issued during a prior livestock attack.

This current livestock attack will be referred to the Board of Commissioners and the citation referred to Justice court.

NARRATIVE

On April 15<sup>th</sup> at 8:30 Am, I received a call at my office from Ervin Seufert who resides at 34050 Lawrence Road, Deer Island. Mr. Seufert told me that he had just shot one of two or three dogs that had been in his sheep enclosure. That one of the dogs that was shot was laying in his neighbors yard after having run off from his home.

I responded to the location and met with Mr Seufert. He advised me that at night he corrals all his sheep (27) in a fenced enclosure near his home to protect them from the coyotes and other night animals. That this morning he heard noise coming from his pen so he grabbed his 12 gauge and his dog and went out to see what was happening.

Mr. Seufert said that he found two possible three dogs inside his sheep area. One was the black lab mixed dog that he ended up shooting and hitting, a second was a husky looking dog. He was unable to say about the third as he did not see that dog due to the fog. When he found the dogs inside his corral they were attacking the sheep and had pulled considerable tufts of hair loose. He told me that 17 of the animals are just lambs. As the dog were running in the fenced area he did fire one shot at the black dog. He fired a second shot at it as it ran down his driveway.

At this point Mr. Seufert was unable to tell me of the injuries to the animals as they were all milling about crowding into the corners. He advised he would check and see if any were harmed in the incident. I could clearly see one larger sheep that had the wool on his back torn and pulled out. Mr. Seufert told me that this was the one the dogs had been attacking.

I then went to the corner house next to Mr Seufert's and located a black dog under a bush at the home. I recognized the dog when I saw it as one belonging to Nawnie Hack. This dog was one of two that I had recently contacted and warned her about complaints about the dog running loose. I expressly warned her as in 2014 she had another dog that had been into trouble with the county over having chased horses. At the time of the contact last week, I warned her that these new dogs were heading down the same road and that she needed to contain the dogs.

I loaded the injured dog into my truck and drove over to the Hack property just a block away. The second dog described in the attack matched that of the second dog I had seen at the Hack home just a week or so before. When I arrived at 33727 Canaan Road, the Hack property. I located the husky dog described in the attack running loose in the yard of the property. I would note that the property has a 30-40 foot kennel that was not being used.

I then contacted Ms. Hack, she told me that she was suffering from some jaw issue and headache and was unable to fully speak with me. I informed her of the issue and the dog being shot. I explained that the second dog would also need to be impound and she sent a family member out to load the dog. She was advised that I would return later with paper work and speak more with her then.

I then transported the husky dog Pup to the shelter in Saint Helens. The black dog named Leala was taken to Midway vet where it was examined and a treatment plan was completed. The dog was then returned to the shelter with medication and will be cared for by the Columbia Humane Society staff.

**ACTION TAKEN**

That the two dogs belonging to Nawnie Hack did attack and cause harm to sheep owned by Mr Seufert and are being referred to the Board of Commissioners for having harmed or chased livestock. Both dogs have no prior offenses but the owner does.

That based on the dogs trespassing upon the property of Mr Seufert the dogs were in violation of ORS 609.095 dog as a public nuisance and Ms Hack was cited for these violations.

That based on the fact that Ms. Hack is fully aware of the need to license her dogs from prior contacts over the years, I also issued a citation for violation of ORS 609.100 unlicensed dog.

That follow up investigation of Ms. Hack from her prior violation with the dog Bo, showed that a compliance order had been issued. Ms. Hack violated that order in that she has failed to pay the redemption and boarding fees due in that case. She also failed to notify the county that the dog Bo had escaped some time ago and was never found. Based on this information a citation for violation of County Ordinance 92-15 was issued for violation of the compliance order.

Based on the definitions in ORS 609.035 on who is considered a keeper of a dog, and the definition of Owner/head of household under 609.140 which enters into the livestock section, I listed Richard Mundy as a secondary in the livestock case. Mr Mundy is the property owner, father to Nawnie Hack and the head of

Both dogs are being held pending Board recommendations and order.
