FOR COLUMBIA COUNTY, OREGON

In the Matter of a Sole Source
Procurement for Specialty Court Services
From Columbia River Partnerships for
Change

ORDER NO. 29-2020

WHEREAS, Section 6.c of the Columbia County Public Contracting Ordinance authorizes the Board of County Commissioners to award a contract for goods and services without competition when the Board determines by order that the goods or services or class of goods or services are available from only one source; and

WHEREAS, ORS 279B.075 and OAR 137-047-0275 authorize a local government to approve a sole source procurement upon finding that: (1) the efficient utilization of existing goods requires the acquisition of compatible goods or services; (2) that the goods or services required for the exchange of software or data with another public or private agency are available from only one source; (3) that the goods or services are for use in a pilot or experimental project; or (4) other findings that support the conclusion that the goods or services are available from only one source; and

WHEREAS, the Columbia County District Attorney (the "Department") intends to contract with Columbia River Partnerships for Change to provide specialty court services; and

WHEREAS, Columbia River Partnerships for Change is the only provider of the services in Columbia County and is already in partnership with the Columbia County Circuit Court to provide specialty court services;

NOW, THEREFORE, THE BOARD OF COUNTY COMMISSIONERS HEREBY ORDERS, as follows:

1. The Board finds that a sole source procurement of the specialty court services from Columbia River Partnerships for Change, as described meets the requirements of the County's public contracting rules because the services are only available from one source.
