Re: PA approval

To whom it may concern,
On Sunday, September 23rd, we (Grace Baptist Church) will be having our annual social event at Prescott beach. This service will last about an hour and a half and will involve the use of a sound system. This sound system will be used for announcements and singing / music. We contacted Prescott beach and they informed us that we would need to get the county's permission to use a sound system. We would also like to run a generator for power. As mentioned earlier, the use of this sound system will be for about 1-½ hours and run from 11:00 am till 12:30 p.m. Please consider this request. If you need more information, please call David Karn @ 397.3761 or Grace Baptist Church @ 397.0405. Thank you.

Sincerely,

David Karn
