Subject: Domestic Violence Awareness March.

We are starting our first annual Domestic Violence Awareness March in October. This event has been coordinated with the help of survivors of domestic violence, the Domestic Violence Response Team, and local community members.

- This march will bring community members and survivors together to spread awareness, information, and resources regarding assistance and give survivors an opportunity to be heard.
- The march will take place on October 18, 2025, at 10:00 am, beginning at McCormick Park and ending at the St. Helens Public Library.
