RE : Bell tower next steps

Commissioners,

KNCC is ready to remove the scaffolding around the bell tower, demobilize the parking fencing Connex as well as their office space. However, taking it down now would mean losing some of the discounts we were offered for the next phase of renovations, which includes the handrails and columns.

At this time, if we do not receive funding from the State, we do not have alternative resources to move the project forward.

I'm requesting direction from the Commissioners on how to proceed.

Thank you.

Riley Baker
