Alternatively, City may, upon 30 days written notice, terminate this agreement for any reason deemed appropriate in its sole discretion. If the Agreement is terminated as provided in this paragraph, Grantee shall return any unspent grant funds within 30 days after the effective date of termination. Unless the parties agree otherwise, Grantee shall finish any work and services covered by any grant funds already paid and shall not commence any new work or services which would require payment from any unused grant funds. City shall not be liable for indirect or consequential damages. Termination by City shall not waive any claim or remedies it may have against Grantee.

This grant agreement (“Agreement”), is between the State of Oregon, acting through its Oregon Department of Emergency Management (“OEM”), and City of Portland (“Subrecipient”) for the project referred to above and described in Exhibit A (“Project”). This Agreement becomes effective only when fully signed and approved as required by applicable law. Notwithstanding the effective date of this agreement, Project activities may begin on October 1, 2024, the date of the Notice of Intent to Award letter to Subrecipient.

This Agreement includes the following parts, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

- Exhibit A Project Description and Budget
- Exhibit B Reserved
- Exhibit C Federal Requirements and Certifications
- Exhibit D Reserved
- Exhibit E Information Required by 2 CFR § 200.332(a)(1)
- Exhibit F Certification Regarding Lobbying

Pursuant to Oregon Laws 2022, Chapter 55 Section 3 (the “Act”), OEM is authorized to award grants and enter into grant agreements as part of the Homeland Security Grant Program (“HSPG” or “Program”).

SECTION 1 - KEY GRANT TERMS

The following capitalized terms have the meanings assigned below.

Grant Amount: \$3,390,091.

Period of Performance: October 1, 2024 through June 30, 2027

SECTION 2 - GRANT

OEM shall provide Subrecipient, and Subrecipient shall accept from OEM, a HSGP grant (the “Grant”) not to exceed \$3,390,091 in Grant Funds for eligible costs (the “Grant Funds”). If applicable, Subrecipient shall provide matching funds for all project costs as described in Exhibit A.

OEM’s obligations are subject to the receipt of the following items, in form and substance satisfactory to OEM and its Counsel:

- (1) This Agreement duly signed by an authorized officer of Subrecipient; and
- (2) Such other certificates, documents, opinions and information as OEM may reasonably require.

Subrecipient shall complete the Project and use its own fiscal resources or money from other sources to pay for any costs of the Project in excess of the total amount of financial assistance provided pursuant to this Agreement.

SECTION 3 - DISBURSEMENTS

A. Reimbursement Basis. The Grant Funds shall be disbursed to Subrecipient on an expense reimbursement or costs-incurred basis.

B. Disbursement Requirements.

- (1) Subrecipient must submit each disbursement request for eligible Project Costs on a Request for Reimbursement form (“RFR”), provided by OEM.
- (2) Subrecipient must submit a signed RFR, that includes supporting documentation for all grant expenditures. RFRs may be submitted monthly or quarterly during the term of this Agreement. The final RFR must be submitted no later than 30 days following the end of the Period of Performance (“RFR Deadline”). OEM has no obligation to reimburse Subrecipient for any RFR submitted after the RFR Deadline.
- (3) Reimbursements for expenses will be withheld if performance reports are not submitted by the specified dates or are incomplete.
- (4) Reimbursement rates for travel expenses shall not exceed those allowed by the State of Oregon. Requests for reimbursement for travel must be supported with a detailed statement identifying the person who traveled, the purpose of the travel, the dates, times, and places of travel, and the actual expenses or authorized rates incurred.
- (5) Reimbursements will only be made for actual expenses incurred during the Period of Performance. Subrecipient agrees that no grant may be used for expenses incurred before or after the Period of Performance.
- (6) Subrecipient must pay its contractors, consultants, and vendors before submitting a RFR to OEM for reimbursement. Eligible costs are the reasonable and necessary costs incurred by Subrecipient for the Project, in accordance with the HSGP guidance and application materials, including without limitation the Notice of Funding Opportunity (NOFO), that are not excluded from reimbursement by OEM, either by this Agreement or by exclusion as a result of financial review or audit. The guidance, application materials and NOFO are available at:

HSGP: <https://www.oregon.gov/oem/emresources/Grants/Pages/HSGP.aspx>

C. Financing Availability. Subrecipient must incur eligible costs under this Agreement on or before the Period of Performance Deadline. Subrecipient’s right to request disbursements for eligible costs under this Agreement terminates 30 days following the end of the RFR Deadline.

D. Conditions to Disbursements. As to any disbursement, OEM has no obligation to disburse funds unless all following conditions are met:

- (1) OEM (a) has received a completed RFR on an OEM provided form, (b) has received an accounting of how all prior disbursements have been expended, including written evidence of materials and labor furnished to or work performed upon the Project, including itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as OEM may require, (c) is satisfied that all items listed in the RFR are reasonable, and (d) has determined that the disbursement is only for eligible costs that are in accordance with Exhibit A Project Description and Project Budget.
- (2) The representations and warranties made in this Agreement are true and correct on the date of disbursement as if made on such date.

- (3) OEM has sufficient funds currently available and authorized for expenditure to finance the costs of this Agreement within OEM’s biennial appropriation or limitation. Notwithstanding the preceding sentence, payment of funds by OEM is contingent on OEM receiving appropriations, limitations, allotments or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to continue to make payments in accordance with the terms of this Agreement, and notwithstanding anything in this Agreement, occurrence of such contingency does not constitute a default. Upon occurrence of such contingency, OEM has no further obligation to disburse funds to Subrecipient.
- (4) All other conditions precedent under this Agreement are met.
- (5) There is no Event of Default by Subrecipient.

SECTION 4 - USE OF GRANT

- A. Eligible Use. Subrecipient’s use of the Grant funds is limited to those expenses that are both reasonable and necessary to complete the Project and that are in accordance with Exhibit A Project Description and Budget.

The Subrecipient shall be responsible for pursuing recovery of monies paid under this Agreement in providing disaster assistance against any party that might be liable, and further, the Subrecipient shall cooperate in a reasonable manner with the State of Oregon and the Federal Government in efforts to recover expenditures under this Agreement.

Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. The foregoing provisions are conditions precedent for either party’s liability to the other in regards to the Third Party Claim.

The relative fault of the parties shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Each party's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if that party had sole liability in the proceeding. This Section shall survive termination of this Contract.

- (2) Subrecipient shall take all reasonable steps to require its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Subrecipient's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims. This Section shall survive termination of this Contract.]

Subrecipient shall require the other party, or parties, to each of its sub agreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

OEM encourages Subrecipient, in its contracting activities, to follow good faith efforts described in ORS 200.045. The Subrecipient shall permit OEM, and any party designated by OEM: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters. The Subrecipient shall supply any related reports and information as OEM may reasonably require.
- J. Records, Access to Records and Facilities. Subrecipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Equipment in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards, and state minimum standards for audits of municipal corporations. OEM, the Secretary of State of the State of Oregon ("Secretary"), and their duly authorized representatives shall have access to the books, documents, papers, and records of Subrecipient that are directly related to this Agreement or the Equipment provided for the purpose of making audits and examinations. In addition, OEM, Oregon Secretary of State (Secretary), Office of Inspector General

(OIG), Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), or any of their authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records.

- K. Retention of Records. Subrecipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for until the latest of (a) six years following termination, completion or expiration of this Agreement, (b) upon resolution of any litigation or other disputes related to this Agreement, or (c) as required by 2 CFR 200.333. It is the responsibility of Subrecipient to obtain a copy of 2 CFR Part 200, and to apprise itself of all rules and regulations set forth. If there are unresolved issues at the end of such period, Subrecipient shall retain the books, documents, papers and records until the issues are resolved.
- L. [Reserved]
- M. Continued Tax Compliance. Subrecipient shall, throughout the duration of this Agreement, comply with all tax laws of this state and all applicable tax laws of any political subdivision of this state. OEM does not provide tax advice and OEM is not responsible for any tax consequences or compliance requirements associated with the Grant award to Subrecipient, including but not limited to 1099 Requirements and tax reporting requirements. - O. Federal Audit Requirements. The Grant is federal financial assistance, and the Assistance Listing Number (ALN) (formerly CFDA) number and title is “97.067 Homeland Security Grant Program.” Subrecipient is a sub-Subrecipient.
- (1) If Subrecipient receives federal funds in excess of \$1,000,000 in the Subrecipient’s fiscal year, it is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F. Subrecipient, if subject to this requirement, shall at its own expense submit to OEM a copy of, or electronic link to, its annual audit subject to this requirement covering the funds expended under this Contract and shall submit or cause to be submitted to OEM the annual audit of any Subrecipient(s), contractor(s), or subcontractor(s) of Subrecipient responsible for the financial management of funds received under this Contract.
 - (2) Audit costs for audits not required in accordance with 2 CFR part 200, subpart F are unallowable. If Subrecipient did not expend \$1,000,000 or more in Federal funds in its fiscal year but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the funds received under this Contract.
 - (3) Subrecipient shall save, protect and hold harmless OEM from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Contract. Subrecipient acknowledges and agrees that any audit costs incurred by Subrecipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Subrecipient and the State of Oregon.

SECTION 7 - DEFAULT

Any of the following constitutes an “Event of Default”:

- A. **Misleading Statement.** Any material false or misleading representation is made by or on behalf of Subrecipient, in this Agreement or in any document provided by Subrecipient related to this Grant or the Project.
- B. The Subrecipient fails to perform any obligation required under this Agreement, other than those referred to in subsection A of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Subrecipient by OEM. OEM may agree in writing to an extension of time if it determines Subrecipient instituted and has diligently pursued corrective action.

SECTION 8 - REMEDIES

Upon the occurrence of an Event of Default, OEM may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of OEM’s obligations to make the Grant or further disbursements, return of all or a portion of the Grant amount, payment of interest earned on the Grant amount, and declaration of ineligibility for the receipt of future awards from OEM. If, as a result of an Event of Default, OEM demands return of all or a portion of the Grant amount or payment of interest earned on the Grant amount, Subrecipient shall pay the amount upon OEM’s demand. OEM may also recover all or a portion of any amount due from Subrecipient by deducting that amount from any payment due to Subrecipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law. OEM reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

In the event OEM defaults on any obligation in this Agreement, Subrecipient’s remedy will be limited to a claim for reimbursement or disbursement of funds authorized under this Agreement. In no event will OEM be liable to Subrecipient for any expenses related to termination of this Agreement or for anticipated profits or loss.

SECTION 9 - TERMINATION

In addition to terminating this Agreement upon an Event of Default as provided in Section 8, OEM may terminate this Agreement with notice to Subrecipient under any of the following circumstances:

- A. Termination by OEM.
 - (1) The Oregon Department of Administrative Services notifies OEM of an anticipated shortfall in applicable revenues or OEM fails to receive sufficient funding, appropriations or other expenditure authorizations to allow OEM, in its reasonable discretion, to continue making payments under this Agreement;
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the Project funded by this Agreement is no longer eligible for funding;
 - (3) Subrecipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Subrecipient is, for any reason, rendered improbable, impossible, or illegal;
 - (4) The Project would not produce results commensurate with the further expenditure of funds;

- (5) Subrecipient takes any action pertaining to this Agreement without the approval of OEM and which under the provisions of this Agreement would have required the approval of OEM; or
 - (6) OEM determines there is a material misrepresentation, error or inaccuracy in Subrecipient’s application.
- B. Termination by Subrecipient. Subrecipient may terminate this Agreement effective upon delivery of written notice of termination to OEM, or at such later date as may be established by Subrecipient in such written notice, if:
 - (1) The requisite local funding to continue the Project becomes unavailable to Subrecipient; or
 - (2) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
 - C. Termination by Either Party. Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the ten days, if the other Party fails to comply with any of the terms of this Agreement.

Immediately upon termination under Sections 9.A.(1), (4) or (5), no Grant Funds shall be disbursed by OEM, and Subrecipient shall return to OEM Grant Funds previously disbursed to Subrecipient by OEM in accordance with Section 4.C and the terminating party may pursue additional remedies in law or equity. Upon termination pursuant to any other provision in this Section 10, no further Grant Funds shall be disbursed by OEM and Subrecipient shall return funds to OEM in accordance with Section 6.c, except that Subrecipient may pay, and OEM shall disburse, funds for obligations incurred and approved by OEM up to the day that the non-terminating party receives the notice of termination. Termination of this Agreement does not relieve Subrecipient of any other term of this Agreement that may survive termination, including without limitation Sections 10.D and G.

SECTION 10 - MISCELLANEOUS

- A. No Implied Waiver. No failure or delay on the part of OEM to exercise any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- B. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- C. Notices and Communication. Except as otherwise expressly provided in this Agreement, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Subrecipient or OEM at the addresses set forth below, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the Subrecipient's email system that the notice has been received by the Subrecipient's email system or 2) the Subrecipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- D. Amendments. This Agreement may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- E. Severability. If any provision of this Agreement will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- F. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of OEM, Subrecipient, and their respective successors and assigns, except that Subrecipient may not assign or transfer its rights, obligations or any interest without the prior written consent of OEM.
- G. Counterparts. This Agreement may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument. Copies of signature by facsimile, electronic scan, or other electronic means will be considered original signatures.
- H. Integration. This Agreement (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Agreement.

- I. No Third-Party Beneficiaries. OEM and Subrecipient are the only parties to this Agreement and are the only parties entitled to enforce the terms of this Agreement. Nothing in this Agreement gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.
- J. Survival. All provisions of this Agreement that by their terms are intended to survive shall survive termination of this Agreement.
- K. Time is of the Essence. Subrecipient agrees that time is of the essence under this Agreement.
- L. Public Records. OEM's obligations under this Agreement are subject to the Oregon Public Records Laws.
- M. Dispute Resolution. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each party shall bear its own costs incurred under this Section 6.C.
- N. Duplicate Payment. Subrecipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- O. Independent Contractor. Subrecipient shall perform the Project as an independent contractor and not as an agent or employee of OEM. Subrecipient has no right or authority to incur or create any obligation for or legally bind OEM in any way. Subrecipient acknowledges and agrees that Subrecipient is not an "officer", "employee", or "agent" of OEM, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- P. Insurance; Workers' Compensation. Article 41

Article 42

Environmental Planning and Historic Preservation (EHP) Review

DHS/FEMA funded activities that may require an Environmental Planning and Historic Preservation (EHP) review are subject to the FEMA EHP review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state and local laws. DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP review process, as mandated by: the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and any other applicable laws and executive orders. General guidance for FEMA's EHP process is available on the DHS/FEMA Website at: <https://www.fema.gov/grants/guidance-tools/environmental-historic>. Specific applicant guidance on how to submit information for EHP review depends on the individual grant program and applicants should contact their grant Program Officer to be put into contact with EHP staff responsible for assisting their specific grant program. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies. If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archaeological resources are discovered the applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

Article 43

Applicability of DHS Standard Terms and Conditions to Tribes

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to sub-recipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.
