SPECIAL INSTRUCTIONS

PRICE QUOTATION FOR FURNISHING: **CRUSHED ROCK AND PIT RUN**

TITLE: This work consist of furnishing and loading crushed rock and other aggregates to be purchased and hauled by Columbia County, from this Contractor's Facility.

QUOTATION:

In addition to the general instructions for competitive quotes with Columbia County, the following special instructions apply to this quotation only.

1. Bid and performance bonds will not be required on this quotation.
2. **Estimated time frame:**
Quotations to be returned by: **Friday, February 20 2026.**
3. **Payment.** Payment will be made in full approximately 20 to 30 days after receipt of the product on the County's usual cycle.
4. Alternate price quotations will be considered against the specifications set forth herein.
5. Awards will be based on a combination of:
 - a. Conformance to specifications.
 - b. Cost / Transportation.
 - c. Columbia County's experience with the firm.
 - d. The County's judgment as to the best return on investment.
6. The County may award all categories to one vendor or may split the award to two or more vendors in any combination which best serves the interests of the County.
7. **Pricing.** Pricing shall be firm as quoted herein through the duration of this Contract which shall be: **Friday, February 20 2026.** Contractors may submit written quarterly price adjustments throughout the calender year.
8. **Delivery.** Unless specified otherwise, all bids shall be F.O.B., our trucks at the Contractor's Facility.
9. Columbia County reserves the right to check the material before acceptance at the delivery point, to ascertain that all specifications as herein described are fully met, and to reject by returning to the supplier, material the County determines does not meet all specifications as herein set forth.

Delivery:

The successful supplier must agree to furnish the specified rock at the supplier's site for loading into Columbia County trucks on a first come first served basis. Supplier must agree to have a front end loader, which is rated at not less than two (2) cubic yard capacity, and an operator for the loader available at supplier's site for loading Columbia County trucks. The price of the material offered in this Bid shall include all costs of loading the material into Columbia County trucks at the supplier's site.

The successful supplier must agree to furnish rock to Columbia County trucks no later than 8:00 a.m.(standard working days), if notified by 4:30 p.m. of the previous standard working day.

Award of Contract:

In evaluating price quotations, determination of lowest price quotation will be by applying a \$0.25 per mile haul cost to each unit. This haul cost will be from the supplier's plant to the location(s) where needed.
