Reimbursement rates for travel expenses shall not exceed those allowed by the Oregon travel policy, available at: <http://www.oregon.gov/das/Financial/Acctng/Pages/Travel.aspx>. The County's obligation to reimburse Contractor is subject to receipt of funds from CJC, subject to all Progress Reports being completed and submitted to CJC in compliance with the Grant Agreements. Payment shall be made within 30 days of receipt of payment from the State.

D. Contractor shall make, retain, and provide County upon demand, proper and complete books of record and account and shall maintain all fiscal records related to this Agreement and the Project in accordance with all applicable auditing standards and state minimum standards for audits of municipal corporations. In addition, the County, the CJC, the Secretary of State and their duly authorized representatives may perform site reviews and inspect all vehicles, real property, facilities and equipment purchased by Contractor under this Agreement.

E. Contractor shall retain and keep accessible all books, documents, papers, and records that are directly related to this agreement and the Grant Funds for a minimum of six (6) years, or such longer period as may be required by the Grant Agreement or applicable law, following the Contract termination. If there are unresolved audit questions at the end of the six-year period, Contractor shall retain the books, documents, papers, and records until the questions are resolved.

F. Expenditure Records. Contractor shall document the expenditure of all funds disbursed by Contractor to any Subcontractor. Contractor shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit the County and the CJC to verify how the moneys were expended.

G. Subagreements. Contractor may enter into agreements for implementation of the services under this Agreement. Each subagreement shall be in writing executed by Contractor and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the Subagreement. Use of a subagreement does not relieve Contractor of its responsibilities under this Agreement. Contractor shall notify the County and CJC of any material breach of a term of this condition of a subagreement relating to Grant Funds provided under this Agreement within ten (10) days of its discovery.

12. Non-Discrimination. Contractor agrees that no person shall, on the grounds of race, color, creed, religion, national origin, sex, sexual orientation, marital status, handicap, age, or any other characteristic protected by law, suffer discrimination in the performance of this Agreement when employed by Contractor. Contractor certifies that it has not discriminated and will not discriminate, in violation of ORS 279A.110, against a disadvantaged business enterprise, a minority-owned business, a woman-owned business, a business that a service-disabled veteran owns or an emerging small business enterprise that is certified under ORS 200.055 in awarding a subcontract.

13. Tax Compliance. As required by ORS 279B.045, Contractor represents and warrants that Contractor has complied with the tax laws of this state and all political subdivisions of this state, including but not limited to ORS 305.620 and ORS Chapters 316, 317, and 318. Contractor shall continue to comply with the tax laws of this state and all political subdivisions of this state during the term of the public contract. Contractor's failure to comply with the tax laws of this state or a political subdivision of this state before the Contractor executes this Agreement or during the term of this Agreement is a default for which County may terminate this Agreement and seek damages and other relief available under the terms of this Agreement or under applicable law. Contractor hereby certifies, under penalty of perjury, as provided in ORS 305.385(6), that to Contractor's knowledge, Contractor is not in violation of any of the tax laws of this state or political subdivision of this state, including but not limited to ORS 305.380(4).

14. Nonassignment; Subcontracts. Contractor shall not assign, subcontract or delegate the responsibility for providing services hereunder to any other person, firm or corporation without the express written permission of the County, except as provided in

Contractor's Proposal.

15. Nonwaiver. The failure of the County to enforce any provision of this Agreement shall not constitute a waiver by the County of that or any other provision of the Agreement.

16. Indemnity. Contractor shall indemnify, defend, save, and hold harmless the County, its officers, agents and employees, and the State of Oregon, the CJC and their officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor, its officers, agents, employees or contractors ("Claims"). Neither Contractor nor any attorney engaged by such party shall defend a claim described herein in the name of the County, the State of Oregon or an agency of the State of Oregon, nor purport to act as legal representative for the same, without the prior written consent of the County Counsel and/or Oregon Attorney General as applicable. Contractor shall cause its subcontractors described in Section 11.G, above, to indemnify, defend, save, and hold harmless the County and State on the same terms that the Contractor agrees to herein. It is the specific intention of the Parties that CJC and the County shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the CJC or County, be indemnified by the subagreement from and against any and all Claims.

17. Insurance. Contractor shall maintain commercial general liability and property damage insurance in an amount of not less than \$2,000,000 per occurrence to protect County, its officers, agents, and employees and the State of Oregon, the CJC and their officers, employees and agents. If any of the required liability insurance is on a claims made basis and does not include an extended reporting period of at least 24 months, then the Contractor shall maintain continuous claims made liability coverage, provided the effective date of the continuous claims made coverage is on or before the effective date of this Agreement, for a minimum of 24 months following the later of: (1) the Contractor's completion and County's acceptance of all services required under the Agreement, or (ii) the expiration of all warranty periods provided under this Agreement. Contractor shall provide County a certificate or certificates of insurance in the amounts described above which names County, its officers, agents and employees and the State of Oregon, the CJC and their officers employees and agents as additional insureds. Such certificate or certificates shall be accompanied by an additional insured endorsement. Contractor agrees to notify County immediately upon notification to Contractor that any insurance coverage required by this paragraph will be canceled, not renewed or modified in any material way, or changed to make the coverage no longer meet the minimum requirements of this Contract.

18. Termination. This Agreement may be terminated at any time in whole or in part by mutual consent of both parties. The County may terminate this Agreement, effective upon delivery of written notice to Contractor, or at such later date as may be established by the County under the following conditions:

A. If Contractor fails to perform the work in a manner satisfactory to County.

B. If any license or certificate required by law or regulation to be held by Contractor to provide the services required by this Agreement is for any reason denied, revoked, or

not renewed.

C. If funding becomes inadequate to allow the work to continue in accordance with the project schedule.

In case of termination, Contractor shall be required to repay to County the amount of any funds advanced to Contractor which Contractor has not earned or expended through the provision of services in accordance with this Agreement. However, Contractor shall be entitled to retain all costs incurred and fees earned by Contractor prior to that termination date, and any amounts remaining due shall be paid by County not to exceed the maximum amount stated above and decreased by any additional costs incurred by County to correct the work performed.

The rights and remedies of the County related to any breach of this Agreement by Contractor shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement. Any termination of this Agreement shall be without prejudice to any obligations or liabilities of either party already accrued before such termination.

19. Time of the Essence. The parties agree that time is of the essence in this Agreement.

20. Reserved.

21. Mediation. In the event of a dispute between the parties arising out of or relating to this Contract, the parties agree to submit such dispute to a mediator agreed to by both parties as soon as practicable after the dispute arises, and preferably before commencement of litigation or any permitted arbitration. 23. Venue. Venue relating to this Agreement shall be in the Circuit Court of the State of Oregon for Columbia County, located in St. Helens, Oregon.

24. Attorneys' Fees. In the event an action, suit or proceeding, including appeal therefrom, is brought for failure to observe any of the terms of this Agreement, each party shall be responsible for its own attorneys' fees, expenses, costs and disbursements for said action, suit, proceeding or appeal.

25. Severability. If any provision of this Agreement is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holdings shall not affect the validity of the remaining portions hereof.

26. No Third-Party Rights. This Agreement is solely for the benefit of the parties to this Agreement. Rights and obligations established under this Agreement are not intended to benefit any person or entity not a signatory hereto.

27. Counterparts. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

28. Electronic Signatures. The Parties agree that signatures showing on PDF documents, including but not limited to PDF copies of the Agreement and amendments, submitted or exchanged via email are "Electronic Signatures" under ORS Chapter 84 and bind the signing Party and are intended to be and can be relied upon by the Parties. Millennium Health Signals Report for Washington State (1/2)

Methamphetamine Use in Washington Reaches All-Time High in People Who Use Fentanyl, Adding Fuel to the Fentanyl Crisis

SAN DIEGO, Calif. – March 13, 2024 – While the state of Washington grapples with its ongoing fentanyl crisis, a dangerous trend in the co-use of methamphetamine has emerged that may significantly impact an already challenging situation. According to [Millennium Health's Signals Report™](#) for Washington state, a staggering 76% of urine drug test specimens collected in 2023 from those who used fentanyl also contained methamphetamine, an increase of over 8,000% since 2013.

Methamphetamine positivity rates among people who use fentanyl for the four most-populated counties in 2023 were:

- Snohomish County – 81%
- King County – 75%
- Pierce County – 75%
- Spokane County – 52%

“The striking increases we’re seeing in methamphetamine use among people who use fentanyl adds a new layer of complexity to the fight,” said Senior Vice President and Chief Clinical Officer, [Angela G. Huskey, PharmD, CPE](#). “Consistent with national trends, the overwhelming majority of people in Washington who use fentanyl engage in polysubstance use—now mostly involving the use of methamphetamine—which creates unique treatment challenges.”

Former Washington Senator Steve O’Ban adds, “In all my years serving on legislative healthcare, human services, and behavioral health committees, I’ve had a front row seat watching how illicit drug use impacts our state. This new data brings to light an urgent need to find solutions to this growing crisis. I am confident that we can work together to help to stem this tide that is destroying our families and our local communities.”

Additional information regarding current drug use trends can be found [here](#).

Any such indemnification shall also provide that neither the other party to such Subagreement nor any attorney engaged by such party shall defend a Claim in the name of the State of Oregon or an agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that the other party to such Subagreement is prohibited from defending State or that such other party is not adequately defending State’s interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against the other party to such Subagreement if State elects to assume its own defense.

(3) Insurance.

Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by similar entities engaged in similar activities. Upon request, Recipient shall provide to CJC a Certificate(s) of Insurance required under this Agreement or, as applicable, require each subrecipient to, upon request, provide to CJC a Certificate(s) of Insurance required under this Agreement. Nothing in this provision precludes Recipient from exerting a defense against any party other than CJC, including a defense of immunity.

(4) Procurements.

Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.

SECTION 7: DEFAULT

A. Recipient Default. Any of the following constitutes an “Event of Default” of Recipient:

- (1) Misleading Statement. Any materially false or misleading representation is made by Recipient or a person authorized to speak on its behalf, in this Agreement or in any document provided by Recipient related to this Grant.
- (2) Failure to Perform. Recipient fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement, other than those referred to in subsection (1) of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by CJC. CJC may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action. Acts or omissions of subgrantees shall not constitute an Event of Default unless ratified or knowingly induced by Recipient.

B. CJC Default. CJC will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement.

SECTION 8: REMEDIES

A. CJC Remedies. Upon the occurrence of an Event of Default, CJC may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of CJC’s obligations to provide Grant funds or further disbursements, return of all or a portion of the Grant Amount, payment of interest earned on the Grant Amount, and declaration of ineligibility for the receipt of future awards from CJC. If, because of an Event of Default, CJC demands return of all or a portion of the Grant Amount or payment of interest earned on the Grant Amount, Recipient shall pay the amount upon CJC’s demand.

CJC may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law.

CJC reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

- B. Recipient Remedies. In the event of default by CJC, Recipient’s sole remedy will be for disbursement of Grant funds for Eligible Costs of the Project, not to exceed the total Grant Amount, less any claims CJC has against Recipient.

SECTION 9: TERMINATION

- A. Mutual Termination. This Agreement may be terminated at any time by mutual written consent of the parties.
- B. Termination by CJC. In addition to terminating this Agreement upon an Event of Default as provided in Section 8, CJC may terminate this Agreement with notice to Recipient under any of the following circumstances:
 - (1) If CJC anticipates a shortfall in applicable revenues or CJC fails to receive sufficient funding, appropriations or other expenditure authorizations to allow CJC, in its reasonable discretion, to continue making payments under this Agreement.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.
- C. Termination by Recipient. Recipient may terminate this Agreement with notice to CJC under any of the following circumstances:
 - (1) After conferring with CJC, Recipient has determined that the requisite local funding to continue the Project is unavailable to Recipient or Recipient is unable to continue implementation of the Project as a result of circumstances not reasonably anticipated by Recipient at the time it executed this Agreement and that are beyond Recipient’s reasonable control.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.

SECTION 10: MISCELLANEOUS

- A. Contribution.
 - (1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against CJC or Recipient relating to this Agreement or the Project and with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party’s contribution obligation with respect to the Third Party Claim.

- (2) With respect to a Third Party Claim for which CJC is jointly liable with Recipient (or would be if joined in the Third Party Claim), CJC shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the CJC on the one hand and of Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of CJC on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. CJC's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if CJC had sole liability in the proceeding.
- (3) With respect to a Third Party Claim for which Recipient is jointly liable with CJC (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by CJC in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of CJC on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of CJC on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- B. No Implied Waiver. No failure or delay on the part of CJC to exercise any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- C. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to

the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- D. Notices and Communication. Except as otherwise expressly provided in this Agreement, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or CJC at the addresses listed in Exhibit A, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- E. Amendments. This Agreement may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- F. Work Product. To the extent it has the necessary rights, Recipient hereby grants to CJC a non-exclusive, irrevocable, perpetual, royalty-free, license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display for governmental purposes, all documents, reports and works of authorship created, produced or obtained as part of or in connection with the Project ("Work Product"). Recipient shall deliver copies of Work Product to CJC upon request. In addition, if applicable law requires that CJC own such intellectual property, then Recipient shall execute such further documents and instruments as CJC may reasonably request in order to assign ownership in the intellectual property to CJC.
- G. Independent Contractor. Recipient shall implement the Project as an independent contractor and not as an agent or employee of CJC. Recipient has no right or authority to incur or create any obligation for or legally bind CJC in any way. CJC cannot and will not control the means or manner by which Recipient implements the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of implementing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of CJC, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- H. Severability. If any provision of this Agreement will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- I. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of CJC, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights, obligations or any interest without the prior written consent of CJC.
- J. Counterparts. This Agreement may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

- K. Integration. This Agreement (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Agreement.
- L. No Third-Party Beneficiaries. CJC and Recipient are the only parties to this Agreement and are the only parties entitled to enforce the terms of this Agreement. Nothing in this Agreement gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement. Notwithstanding the foregoing, CJC acknowledges, agrees, and intends that Recipient will expend the Grant consistent with the Project.
- M. Survival. The following provisions, including this one, survive expiration or termination of this Agreement: Sections 6.D through 6.F, 7, 8, 10.A, 10.C, 10.D, and 10.O.
- N. Time is of the Essence. The parties agree that time is of the essence under this Agreement.
- O. Public Records. CJC's obligations under this Agreement are subject to the Oregon Public Records Laws.

The signatures of the parties follow on the next page.

Recipient, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

SECTION 4: USE OF GRANT

As more particularly described in Exhibit A, Recipient will use the Grant to fund Treatment Court programs (the “Project”). Recipient may only use Grant funds to cover reasonable and necessary Project costs incurred by Recipient during the period beginning July 1, 2025, and ending on the Completion Deadline, and that are allocable thereto and that are not excluded by CJC as set forth in the *Grant Administration Guide* published by CJC (“Eligible Costs”). Recipient must expend the entire Grant Amount on Eligible Costs. Such expenditure must occur no later than the Completion Deadline.

SECTION 5: REPRESENTATIONS AND WARRANTIES OF RECIPIENT

Recipient represents and warrants to CJC as follows:

A. Organization and Authority.

- (1) Recipient is validly organized and existing under the laws of the State of Oregon.
- (2) Recipient has all necessary right, power and authority under its organizational documents and applicable Oregon law to execute and deliver this Agreement and incur and perform its obligations under this Agreement.
- (3) This Agreement has been authorized by an ordinance, order or resolution of Recipient’s governing body if required by its organizational documents or applicable law.
- (4) This Agreement has been duly executed by Recipient, and when executed by CJC, is legal, valid and binding, and enforceable in accordance with this Agreement’s terms.

B. Full Disclosure. Recipient has disclosed in writing to CJC all facts that materially adversely affect the Grant, or the ability of Recipient to perform all obligations required by this Agreement. Recipient has made no false statements of fact, nor omitted information necessary to prevent

any statements from being misleading. The information contained in this Agreement, including Exhibit A, is true and accurate in all respects.

- C. Pending Litigation. Recipient has disclosed in writing to CJC all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Grant or the ability of Recipient to perform all obligations required by this Agreement.

SECTION 6: COVENANTS OF RECIPIENT

Recipient covenants as follows:

- A. Notice of Adverse Change. Recipient shall promptly notify CJC of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient related to the ability of Recipient to perform all obligations required by this Agreement.
- B. Compliance with Laws.
 - (1) Recipient will comply with the requirements of all applicable federal, state and local laws, rules, regulations, and orders of any governmental authority, except to the extent an order of a governmental authority is contested in good faith and by proper proceedings.
 - (2) Recipient is responsible for all federal or state tax laws applicable to its implementation of the Project and its use of the Grant or compensation or payments paid with the Grant.
- C. Worker’s Compensation Insurance. All employers, including Recipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers’ Compensation coverage, unless such employers are exempt under ORS 656.126. Employer’s liability insurance with coverage limits of not less than \$500,000 must be included. Recipient shall ensure that each of its subcontractors and subrecipients complies with these requirements.
- D. Return of Unexpended Grant Funds. Any Grant funds disbursed to Recipient under this Agreement that remain unexpended on the earlier of termination of this Agreement, completion of the Project, or the Completion Deadline, must be returned to CJC. Recipient shall return all unexpended Grant funds to CJC within 30 days after the earlier of termination of this Agreement, completion of the Project, or the Completion Deadline.
- E. Financial Records. Recipient will cooperate with CJC to provide all necessary financial information and records to comply with reporting required in Exhibit A. Recipient will keep proper books of account and records on all activities associated with the Grant, including, but not limited to, invoices, cancelled checks, payroll records, instruments, agreements and other supporting financial records documenting the use of the Grant. Recipient will maintain these books of account and records in accordance with generally accepted accounting principles. Recipient will retain these books of account and records until six years after the Completion Deadline or the date that all disputes, if any, arising under this Agreement have been resolved, whichever is later.
- F. Inspection. Recipient shall permit CJC, and any party designated by CJC, the Oregon Secretary of State’s Office, and their duly authorized representatives, at any reasonable time, to inspect and make copies of any accounts, books and records related to the administration of this

Agreement. Recipient shall supply any Agreement-related information as CJC may reasonably require, with the exception of materials protected by attorney-client privilege or the attorney work product doctrine. Further, Recipient shall neither supply, nor permit inspection of, (1) any information protected by HIPAA, ORS 192.553, or related regulations or rules, or (2) the personnel files of Recipient’s employees, absent appropriate confidentiality protections, including exemption from disclosure under the Public Records Law, ORS ch. 192.

G. Notice of Event of Default. Recipient shall give CJC prompt written notice of any Event of Default, or any circumstance that with notice or the lapse of time, or both, may become an Event of Default, as soon as Recipient becomes aware of its existence or reasonably believes an Event of Default is likely.

H. Recipient Subagreements, Insurance and Procurements.

(1) Subagreements. Recipient may enter into agreements with subcontractors and subrecipients (“Subagreements”) for implementation of portions of the Project. Recipient shall notify CJC of each Subagreement and provide CJC with a copy of a Subagreement upon request by CJC. Any material breach of a term or condition of a Subagreement relating to Grant funds provided under this Agreement must be reported by Recipient to CJC within ten (10) days of its discovery.

(2) Subagreement indemnity.

Each Recipient Subagreement shall require each other party to such Subagreement, that is not a unit of local government as defined in ORS 190.003, or a unit of state government as defined in ORS 174.111, to indemnify, defend, save and hold harmless the CJC and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys’ fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to the Subagreement or any of such party’s officers, agents, employees or contractors (“Claims”). It is the specific intention of the Parties that CJC shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the CJC, be indemnified by the other party to the Subagreement from and against any and all Claims.

Any such indemnification shall also provide that neither the other party to such Subagreement nor any attorney engaged by such party shall defend a Claim in the name of the State of Oregon or an agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that the other party to such Subagreement is prohibited from defending State or that such other party is not adequately defending State’s interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against the other party to such Subagreement if State elects to assume its own defense.

(3) Insurance.

Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by similar entities engaged in similar activities. Upon request, Recipient shall provide to CJC a Certificate(s) of Insurance required under this Agreement or, as applicable, require each subrecipient to, upon request, provide to CJC a Certificate(s) of Insurance required under this Agreement. Nothing in this provision precludes Recipient from exerting a defense against any party other than CJC, including a defense of immunity.

(4) Procurements.

Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.

SECTION 7: DEFAULT

A. Recipient Default. Any of the following constitutes an “Event of Default” of Recipient:

- (1) Misleading Statement. Any materially false or misleading representation is made by Recipient or a person authorized to speak on its behalf, in this Agreement or in any document provided by Recipient related to this Grant.
- (2) Failure to Perform. Recipient fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement, other than those referred to in subsection (1) of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by CJC. CJC may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action. Acts or omissions of subgrantees shall not constitute an Event of Default unless ratified or knowingly induced by Recipient.

B. CJC Default. CJC will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement.

SECTION 8: REMEDIES

A. CJC Remedies. Upon the occurrence of an Event of Default, CJC may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of CJC’s obligations to provide Grant funds or further disbursements, return of all or a portion of the Grant Amount, payment of interest earned on the Grant Amount, and declaration of ineligibility for the receipt of future awards from CJC. If, because of an Event of Default, CJC demands return of all or a portion of the Grant Amount or payment of interest earned on the Grant Amount, Recipient shall pay the amount upon CJC’s demand.

CJC may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law.

CJC reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

- B. Recipient Remedies. In the event of default by CJC, Recipient’s sole remedy will be for disbursement of Grant funds for Eligible Costs of the Project, not to exceed the total Grant Amount, less any claims CJC has against Recipient.

SECTION 9: TERMINATION

- A. Mutual Termination. This Agreement may be terminated at any time by mutual written consent of the parties.
- B. Termination by CJC. In addition to terminating this Agreement upon an Event of Default as provided in Section 8, CJC may terminate this Agreement with notice to Recipient under any of the following circumstances:
 - (1) If CJC anticipates a shortfall in applicable revenues or CJC fails to receive sufficient funding, appropriations or other expenditure authorizations to allow CJC, in its reasonable discretion, to continue making payments under this Agreement.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.
- C. Termination by Recipient. Recipient may terminate this Agreement with notice to CJC under any of the following circumstances:
 - (1) After conferring with CJC, Recipient has determined that the requisite local funding to continue the Project is unavailable to Recipient or Recipient is unable to continue implementation of the Project as a result of circumstances not reasonably anticipated by Recipient at the time it executed this Agreement and that are beyond Recipient’s reasonable control.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.

SECTION 10: MISCELLANEOUS

- A. Contribution.
 - (1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against CJC or Recipient relating to this Agreement or the Project and with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party’s contribution obligation with respect to the Third Party Claim.

- (2) With respect to a Third Party Claim for which CJC is jointly liable with Recipient (or would be if joined in the Third Party Claim), CJC shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the CJC on the one hand and of Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of CJC on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. CJC's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if CJC had sole liability in the proceeding.
- (3) With respect to a Third Party Claim for which Recipient is jointly liable with CJC (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by CJC in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of CJC on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of CJC on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- B. No Implied Waiver. No failure or delay on the part of CJC to exercise any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- C. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to

the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- D. Notices and Communication. Except as otherwise expressly provided in this Agreement, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or CJC at the addresses listed in Exhibit A, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- E. Amendments. This Agreement may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- F. Work Product. To the extent it has the necessary rights, Recipient hereby grants to CJC a non-exclusive, irrevocable, perpetual, royalty-free, license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display for governmental purposes, all documents, reports and works of authorship created, produced or obtained as part of or in connection with the Project ("Work Product"). Recipient shall deliver copies of Work Product to CJC upon request. In addition, if applicable law requires that CJC own such intellectual property, then Recipient shall execute such further documents and instruments as CJC may reasonably request in order to assign ownership in the intellectual property to CJC.
- G. Independent Contractor. Recipient shall implement the Project as an independent contractor and not as an agent or employee of CJC. Recipient has no right or authority to incur or create any obligation for or legally bind CJC in any way. CJC cannot and will not control the means or manner by which Recipient implements the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of implementing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of CJC, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- H. Severability. If any provision of this Agreement will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- I. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of CJC, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights, obligations or any interest without the prior written consent of CJC.
- J. Counterparts. This Agreement may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

- K. Integration. This Agreement (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Agreement.
- L. No Third-Party Beneficiaries. CJC and Recipient are the only parties to this Agreement and are the only parties entitled to enforce the terms of this Agreement. Nothing in this Agreement gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement. Notwithstanding the foregoing, CJC acknowledges, agrees, and intends that Recipient will expend the Grant consistent with the Project.
- M. Survival. The following provisions, including this one, survive expiration or termination of this Agreement: Sections 6.D through 6.F, 7, 8, 10.A, 10.C, 10.D, and 10.O.
- N. Time is of the Essence. The parties agree that time is of the essence under this Agreement.
- O. Public Records. CJC's obligations under this Agreement are subject to the Oregon Public Records Laws.

The signatures of the parties follow on the next page.

Recipient, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

Project Description:

Treatment courts operate under a model that provides an alternative to incarceration through court-directed supervision and mandated treatment for individuals with substance use or mental health issues underlying their involvement in the criminal legal system.

Oregon’s treatment courts strive to adhere to consistent practices as described through the Oregon Specialty Court Standards.

The goals of CJC’s Treatment Court Grant Program include:

- Increasing individuals’ likelihood of successful rehabilitation through early, continuous, and judicially supervised treatment, mandatory random drug testing, and community supervision;
- Reducing substance use and recidivism among specialty court participants; and
- Embedding equity throughout specialty court processes.

Recipient shall use Grant funds to support the operation of the **Columbia County Family Treatment Court**, its adherence to the Oregon Specialty Court Standards, and its efforts toward the goals stated above. Specifically, Recipient shall use Grant funds to maintain and/or expand a current treatment court program that utilizes best practices to adhere to the Oregon Specialty Court Standards. Grant funds will be used to operate a treatment court program to support individuals with a substance use disorder in accessing stabilization services and treatment. These funds will be used to increase participants’ likelihood of successful rehabilitation and to address the needs of children, substance use disorder treatment, and the dependency court.

TCP-27-11 GRANT AGREEMENT
CRIMINAL JUSTICE COMMISSION
TREATMENT COURT GRANT PROGRAM

Agreement Number: TCP-27-11

This grant agreement (“Agreement”), dated as of the date the Agreement is fully executed, is between the State of Oregon, acting through its Oregon Criminal Justice Commission (“CJC” or “State”), and **Columbia County** (“Recipient”) for the benefit of its **Columbia County Mental Health Court**. This Agreement becomes effective only when fully signed and approved as required by applicable law (“Effective Date”). Unless extended or terminated earlier in accordance with its terms, this Agreement shall expire **November 30, 2027**.

This Agreement consists of this document and the following documents, all of which are attached hereto and incorporated herein by reference:

Exhibit A: Contact Information, Project Description and Reporting Requirements

In the event of a conflict between two or more of the documents comprising this Agreement, the language in the document with the highest precedent shall control. The precedence each of the following documents comprising this Agreement is as follows, listed from highest precedence to lowest precedence: this Agreement without Exhibits; Exhibit A.

SECTION 1: KEY GRANT TERMS

The following capitalized terms have the meanings assigned below.

Grant Amount: \$42,207

Completion Deadline: August 31, 2027

SECTION 2: FINANCIAL ASSISTANCE

CJC shall provide Recipient, and Recipient shall accept from CJC, a grant (the “Grant”) in an aggregate amount not to exceed the Grant Amount.

CJC’s obligations are subject to the receipt of the following items, in form and substance satisfactory to CJC and its Counsel:

- (1) This Agreement duly signed by an authorized officer of Recipient; and
- (2) Such other certificates, documents, and information as CJC may reasonably require.

SECTION 3: DISBURSEMENT

A. Disbursement. Upon execution of this Agreement and satisfaction of all conditions precedent, CJC shall disburse Grant funds to Recipient in installments as listed:

- (1) \$10,551.75 by October 31, 2025;
- (2) \$10,551.75 by March 31, 2026;
- (3) \$10,551.75 by September 30, 2026; and

(4) \$10,551.75 by March 31, 2027.

B. Conditions to Disbursements.

- (1) CJC has no obligation to disburse Grant funds unless:
 - i. CJC has sufficient funds currently available for this Agreement;
 - ii. CJC has received appropriations, limitations, allotments or other expenditure authority sufficient to allow CJC, in the exercise of its reasonable administrative discretion, to make payment. Notwithstanding any other provision of this Agreement, CJC’s determination not to disburse funds due to lack of appropriations, allotments, or expenditure authority will not constitute an Event of Default; and
 - iii. Recipient is in compliance with the terms of this Agreement.
- (2) CJC may amend this Agreement to remove the final disbursement of Grant funds in subsection A of this section if Recipient has not expended at least 60 percent of the Grant Amount by December 31, 2026. Notwithstanding any other provision of this Agreement, CJC’s determination not to disburse funds under this subsection will not constitute an Event of Default.

SECTION 4: USE OF GRANT

As more particularly described in Exhibit A, Recipient will use the Grant to fund Treatment Court programs (the “Project”). Recipient may only use Grant funds to cover reasonable and necessary Project costs incurred by Recipient during the period beginning July 1, 2025, and ending on the Completion Deadline, and that are allocable thereto and that are not excluded by CJC as set forth in the *Grant Administration Guide* published by CJC (“Eligible Costs”). Recipient must expend the entire Grant Amount on Eligible Costs. Such expenditure must occur no later than the Completion Deadline.

SECTION 5: REPRESENTATIONS AND WARRANTIES OF RECIPIENT

Recipient represents and warrants to CJC as follows:

A. Organization and Authority.

- (1) Recipient is validly organized and existing under the laws of the State of Oregon.
- (2) Recipient has all necessary right, power and authority under its organizational documents and applicable Oregon law to execute and deliver this Agreement and incur and perform its obligations under this Agreement.
- (3) This Agreement has been authorized by an ordinance, order or resolution of Recipient’s governing body if required by its organizational documents or applicable law.
- (4) This Agreement has been duly executed by Recipient, and when executed by CJC, is legal, valid and binding, and enforceable in accordance with this Agreement’s terms.

B. Full Disclosure. Recipient has disclosed in writing to CJC all facts that materially adversely affect the Grant, or the ability of Recipient to perform all obligations required by this Agreement. Recipient has made no false statements of fact, nor omitted information necessary to prevent

any statements from being misleading. The information contained in this Agreement, including Exhibit A, is true and accurate in all respects.

- C. Pending Litigation. Recipient has disclosed in writing to CJC all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Grant or the ability of Recipient to perform all obligations required by this Agreement.

SECTION 6: COVENANTS OF RECIPIENT

Recipient covenants as follows:

- A. Notice of Adverse Change. Recipient shall promptly notify CJC of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient related to the ability of Recipient to perform all obligations required by this Agreement.
- B. Compliance with Laws.
 - (1) Recipient will comply with the requirements of all applicable federal, state and local laws, rules, regulations, and orders of any governmental authority, except to the extent an order of a governmental authority is contested in good faith and by proper proceedings.
 - (2) Recipient is responsible for all federal or state tax laws applicable to its implementation of the Project and its use of the Grant or compensation or payments paid with the Grant.
- C. Worker’s Compensation Insurance. All employers, including Recipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers’ Compensation coverage, unless such employers are exempt under ORS 656.126. Employer’s liability insurance with coverage limits of not less than \$500,000 must be included. Recipient shall ensure that each of its subcontractors and subrecipients complies with these requirements.
- D. Return of Unexpended Grant Funds. Any Grant funds disbursed to Recipient under this Agreement that remain unexpended on the earlier of termination of this Agreement, completion of the Project, or the Completion Deadline, must be returned to CJC. Recipient shall return all unexpended Grant funds to CJC within 30 days after the earlier of termination of this Agreement, completion of the Project, or the Completion Deadline.
- E. Financial Records. Recipient will cooperate with CJC to provide all necessary financial information and records to comply with reporting required in Exhibit A. Recipient will keep proper books of account and records on all activities associated with the Grant, including, but not limited to, invoices, cancelled checks, payroll records, instruments, agreements and other supporting financial records documenting the use of the Grant. Recipient will maintain these books of account and records in accordance with generally accepted accounting principles. Recipient will retain these books of account and records until six years after the Completion Deadline or the date that all disputes, if any, arising under this Agreement have been resolved, whichever is later.
- F. Inspection. Recipient shall permit CJC, and any party designated by CJC, the Oregon Secretary of State’s Office, and their duly authorized representatives, at any reasonable time, to inspect and make copies of any accounts, books and records related to the administration of this

Agreement. Recipient shall supply any Agreement-related information as CJC may reasonably require, with the exception of materials protected by attorney-client privilege or the attorney work product doctrine. Further, Recipient shall neither supply, nor permit inspection of, (1) any information protected by HIPAA, ORS 192.553, or related regulations or rules, or (2) the personnel files of Recipient’s employees, absent appropriate confidentiality protections, including exemption from disclosure under the Public Records Law, ORS ch. 192.

G. Notice of Event of Default. Recipient shall give CJC prompt written notice of any Event of Default, or any circumstance that with notice or the lapse of time, or both, may become an Event of Default, as soon as Recipient becomes aware of its existence or reasonably believes an Event of Default is likely.

H. Recipient Subagreements, Insurance and Procurements.

(1) Subagreements. Recipient may enter into agreements with subcontractors and subrecipients (“Subagreements”) for implementation of portions of the Project. Recipient shall notify CJC of each Subagreement and provide CJC with a copy of a Subagreement upon request by CJC. Any material breach of a term or condition of a Subagreement relating to Grant funds provided under this Agreement must be reported by Recipient to CJC within ten (10) days of its discovery.

(2) Subagreement indemnity.

Each Recipient Subagreement shall require each other party to such Subagreement, that is not a unit of local government as defined in ORS 190.003, or a unit of state government as defined in ORS 174.111, to indemnify, defend, save and hold harmless the CJC and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys’ fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to the Subagreement or any of such party’s officers, agents, employees or contractors (“Claims”). It is the specific intention of the Parties that CJC shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the CJC, be indemnified by the other party to the Subagreement from and against any and all Claims.

Any such indemnification shall also provide that neither the other party to such Subagreement nor any attorney engaged by such party shall defend a Claim in the name of the State of Oregon or an agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that the other party to such Subagreement is prohibited from defending State or that such other party is not adequately defending State’s interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against the other party to such Subagreement if State elects to assume its own defense.

(3) Insurance.

Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by similar entities engaged in similar activities. Upon request, Recipient shall provide to CJC a Certificate(s) of Insurance required under this Agreement or, as applicable, require each subrecipient to, upon request, provide to CJC a Certificate(s) of Insurance required under this Agreement. Nothing in this provision precludes Recipient from exerting a defense against any party other than CJC, including a defense of immunity.

(4) Procurements.

Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.

SECTION 7: DEFAULT

A. Recipient Default. Any of the following constitutes an “Event of Default” of Recipient:

- (1) Misleading Statement. Any materially false or misleading representation is made by Recipient or a person authorized to speak on its behalf, in this Agreement or in any document provided by Recipient related to this Grant.
- (2) Failure to Perform. Recipient fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement, other than those referred to in subsection (1) of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by CJC. CJC may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action. Acts or omissions of subgrantees shall not constitute an Event of Default unless ratified or knowingly induced by Recipient.

B. CJC Default. CJC will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement.

SECTION 8: REMEDIES

A. CJC Remedies. Upon the occurrence of an Event of Default, CJC may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of CJC’s obligations to provide Grant funds or further disbursements, return of all or a portion of the Grant Amount, payment of interest earned on the Grant Amount, and declaration of ineligibility for the receipt of future awards from CJC. If, because of an Event of Default, CJC demands return of all or a portion of the Grant Amount or payment of interest earned on the Grant Amount, Recipient shall pay the amount upon CJC’s demand.

CJC may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law.

CJC reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

- B. Recipient Remedies. In the event of default by CJC, Recipient’s sole remedy will be for disbursement of Grant funds for Eligible Costs of the Project, not to exceed the total Grant Amount, less any claims CJC has against Recipient.

SECTION 9: TERMINATION

- A. Mutual Termination. This Agreement may be terminated at any time by mutual written consent of the parties.
- B. Termination by CJC. In addition to terminating this Agreement upon an Event of Default as provided in Section 8, CJC may terminate this Agreement with notice to Recipient under any of the following circumstances:
 - (1) If CJC anticipates a shortfall in applicable revenues or CJC fails to receive sufficient funding, appropriations or other expenditure authorizations to allow CJC, in its reasonable discretion, to continue making payments under this Agreement.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.
- C. Termination by Recipient. Recipient may terminate this Agreement with notice to CJC under any of the following circumstances:
 - (1) After conferring with CJC, Recipient has determined that the requisite local funding to continue the Project is unavailable to Recipient or Recipient is unable to continue implementation of the Project as a result of circumstances not reasonably anticipated by Recipient at the time it executed this Agreement and that are beyond Recipient’s reasonable control.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.

SECTION 10: MISCELLANEOUS

- A. Contribution.
 - (1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against CJC or Recipient relating to this Agreement or the Project and with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party’s contribution obligation with respect to the Third Party Claim.

- (2) With respect to a Third Party Claim for which CJC is jointly liable with Recipient (or would be if joined in the Third Party Claim), CJC shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the CJC on the one hand and of Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of CJC on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. CJC's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if CJC had sole liability in the proceeding.
- (3) With respect to a Third Party Claim for which Recipient is jointly liable with CJC (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by CJC in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of CJC on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of CJC on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- B. No Implied Waiver. No failure or delay on the part of CJC to exercise any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- C. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to

the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- D. Notices and Communication. Except as otherwise expressly provided in this Agreement, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or CJC at the addresses listed in Exhibit A, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- E. Amendments. This Agreement may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- F. Work Product. To the extent it has the necessary rights, Recipient hereby grants to CJC a non-exclusive, irrevocable, perpetual, royalty-free, license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display for governmental purposes, all documents, reports and works of authorship created, produced or obtained as part of or in connection with the Project ("Work Product"). Recipient shall deliver copies of Work Product to CJC upon request. In addition, if applicable law requires that CJC own such intellectual property, then Recipient shall execute such further documents and instruments as CJC may reasonably request in order to assign ownership in the intellectual property to CJC.
- G. Independent Contractor. Recipient shall implement the Project as an independent contractor and not as an agent or employee of CJC. Recipient has no right or authority to incur or create any obligation for or legally bind CJC in any way. CJC cannot and will not control the means or manner by which Recipient implements the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of implementing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of CJC, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- H. Severability. If any provision of this Agreement will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- I. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of CJC, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights, obligations or any interest without the prior written consent of CJC.
- J. Counterparts. This Agreement may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

- K. Integration. This Agreement (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Agreement.
- L. No Third-Party Beneficiaries. CJC and Recipient are the only parties to this Agreement and are the only parties entitled to enforce the terms of this Agreement. Nothing in this Agreement gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement. Notwithstanding the foregoing, CJC acknowledges, agrees, and intends that Recipient will expend the Grant consistent with the Project.
- M. Survival. The following provisions, including this one, survive expiration or termination of this Agreement: Sections 6.D through 6.F, 7, 8, 10.A, 10.C, 10.D, and 10.O.

Project Description:

Treatment courts operate under a model that provides an alternative to incarceration through court-directed supervision and mandated treatment for individuals with substance use or mental health issues underlying their involvement in the criminal legal system.

Oregon’s treatment courts strive to adhere to consistent practices as described through the Oregon Specialty Court Standards.

The goals of CJC’s Treatment Court Grant Program include:

- Increasing individuals’ likelihood of successful rehabilitation through early, continuous, and judicially supervised treatment, mandatory random drug testing, and community supervision;
- Reducing substance use and recidivism among specialty court participants; and
- Embedding equity throughout specialty court processes.

Recipient shall use Grant funds to support the operation of the **Columbia County Mental Health Court**, its adherence to the Oregon Specialty Court Standards, and its efforts toward the goals stated above. Specifically, Recipient shall use Grant funds to maintain and/or expand a current treatment court program that utilizes best practices to adhere to the Oregon Specialty Court Standards. These funds will be used to operate a treatment court program that provides an alternative to incarceration through court-directed supervision and mandated treatment for individuals with substance use disorders and/or mental health issues underlying their involvement in criminal behavior.
