PREAMBLE

This Master Settlement Agreement (“MSA” or “Agreement”) is entered into by and among the Settling Local Political Subdivisions identified in Exhibit A (the “Settling Subdivisions”) and Target Corporation (“Target”) (collectively, the “Parties”).

WHEREAS, the Settling Subdivisions have or will assert cases or claims against Target involving, arising from, related to, or in connection with damages, costs, monies, abatement, or any other remedies or relief relating to or arising from past or continuing opioid-related injuries, damages, costs, nuisances, or harms allegedly caused by Target, including but not limited to alleged past, present, and future financial and societal harms and related expenditures arising out of the alleged misuse and abuse of Products (as defined below), including those expenditures that have allegedly arisen as a result of physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and related diseases and disorders;

WHEREAS, Target has denied and continues to deny any liability for the claims asserted by the Settling Subdivisions;

WHEREAS, without any admission of wrongdoing, fault, culpability or liability of any kind, and without any concession as to the strength or weakness of any actual or potential claim(s) or defense(s), the Parties desire to (a) avoid the delay, uncertainty, inconvenience, and expense of protracted litigation by the Settling Subdivisions, and (b) fully and finally resolve, settle, and release all Claims (as defined below) that have been, could have been, or could in the future be asserted against any of the Target Released Entities (as defined below) relating to the Released Claims (as defined below);

The Parties intend that “Target Released Entities” be interpreted broadly.

2. Payment of Net Settlement Payment. In full and final satisfaction of all Released Claims, the Net Settlement Payment shall be paid to the Settling Subdivisions as follows:

- (a) Within 30 (thirty) days of the later of (a) the date on which Target receives the final Settling Subdivision Release (as set forth in Paragraph 2(c)) or (b) the date that Target receives a completed W-9 and wire instructions from the Settling

Subdivisions' counsel, Target shall make a total payment of **\$925,000.00** as the Net Settlement Payment into the Escrow Account for the benefit of the Settling Subdivisions.

- (b) The Net Settlement Payment will be apportioned among the Settling Subdivisions at the sole discretion of the Settling Subdivisions and their counsel. Target shall not participate in the apportionment and shall not be responsible for the methodology or cost of the apportionment, and no person or entity shall have any claim against Target or a Target Released Entity concerning any apportionment or lack of apportionment. The sufficiency of the Aggregate Settlement Amount is acknowledged by the Parties and is inclusive of all attorneys' fees and costs and any and all other charges, fees, liens, or costs associated with completing the terms of this Settlement Agreement, including, but not limited to, any and all assessments for any common benefit or court mandated assessment funds, any payments that may be required to satisfy liens or subrogation interests, and any fees and costs associated with the setup and the administration of apportionment of the Aggregate Settlement Amount.
 - (c) Within 21 (twenty-one) days of the Effective Date, all Settling Subdivisions identified in Exhibit A shall provide executed Settling Subdivision Releases to Target.
 - (d) Releases.
 - (i) Upon the Effective Date, Releasors shall be deemed to have fully, finally, and forever released the Target Released Entities from all Released Claims with prejudice. For the avoidance of doubt, Releasors hereby absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist, or permit to be brought, filed, or claimed, any Released Claims of any type in any forum whatsoever arising from Covered Conduct against any of the Target Released Entities. This Settlement Agreement shall constitute and may be pleaded as a complete bar to any Released Claim.
 - (ii) It is the intention of the Parties in executing this Settlement Agreement to effect a good-faith settlement by certain alleged joint tortfeasors. The Releasors intend to release all Target Released Entities from any and all potential Released Claims for contribution or equitable or implied indemnity that may exist under any state or federal statutory or common law.
 - (iii) The releases set forth in this Settlement Agreement shall become effective immediately upon the Effective Date.
3. **Dismissals.** Within three (3) business days after the Payment Date, the Settling Subdivisions shall file Notices of Voluntary Dismissal with Prejudice in the Actions,

voluntarily dismissing with prejudice all of the Settling Subdivisions' claims against Target with prejudice and without costs.

4. Contribution, Indemnification, Non-Party Settlement and Claim-Over.

- (a) **Statement of Intent.** The Parties agree that they have entered into this Agreement in good faith based upon numerous factors, including the Target Released Entities' role in the pharmacy market, and that payment made under this Agreement shall be the sole payment made by the Target Released Entities to the Settling Subdivisions involving, arising out of, or related to the Covered Conduct, the Products, the Actions, or allegations encompassed by the complaints in the Actions. It is the further intent of the Parties that the Target Released Entities should not seek contribution or indemnification (other than pursuant to any insurance contract) from other parties for their payment obligation under this Agreement; that Claims by the Settling Subdivisions against Non-Released Parties should not result in additional payments by any of the Target Released Entities, whether through contribution, indemnification, or any other means; and that this Agreement meets the requirements of applicable law or doctrine that reduces or discharges a released party's liability to any other parties.
- (b) **Non-Party Settlement.** To the extent that, on or after the Effective Date, any Settling Subdivision settles any Claims it may have against any Non-Released Party arising out of or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Target Released Entity), the Products, or the Action, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Settling Subdivision will include in the Non-Released Party settlement (or in the case of a Non-Released Party settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, a prohibition on contribution or indemnity of any kind or a release from such Non-Released Party in favor of the Target Released Entities or any Claim-Over.
- (c) **Claim-Over.** In the event that any Non-Released Party asserts a Claim arising out of or related to Covered Conduct, the Products, or the Actions against a Target Released entity (a "Claim-Over"), then the Settling Subdivision and Target Released Entities shall take the following actions to ensure that the Target Released Entities do not pay more with respect to the Covered Conduct, the Products, or the Actions to the Settling Subdivision or to the Non-Released Party than the amount owed under this Agreement by Target:
 - (i) Target shall notify the Settling Subdivision of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Agreement, whichever is later; and
 - (ii) The Settling Subdivision and Target shall meet and confer and take steps sufficient and permissible under the law to hold the Target Released Entities harmless from the Claim-Over and ensure that the Target Released Entities

are not required to pay more with respect to the Covered Conduct, the Products, or the Action than the amount owed by Target under this Agreement. Such steps may include, where permissible: filing of motions to dismiss or such other appropriate motion by Target or the Target Released Entities, and supported by the Settling Subdivision, in response to any Claim filed in litigation or arbitration; reduction of that Settling Subdivision's Claim and any judgement it has obtained or may obtain against such Non-Released Party by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that the Settling Subdivision has obtained, may obtain, or has authority to control from such Non-Released Party; and such other actions as the Settling Subdivision and Target may devise to hold the Target Released Entities harmless from the Claim-Over.

5. **No Third-Party Beneficiaries.** Nothing in this Settlement Agreement is intended to or shall confer upon any third party other than Target Released Entities any legal or equitable right, benefit, defense, or remedy of any nature whatsoever. The Releasors represent and warrant that they own the claims asserted in the Actions and released in this Agreement, and they have not assigned or otherwise conveyed their Claims related to Covered Conduct to any third party.
6. **No Admission of Liability.** Target is entering into this Agreement solely for the purpose of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which Target expressly denies. Target does not admit that it caused or contributed to any public nuisance or harm, and Target does not admit any wrongdoing that was or could have been alleged by the Settling Subdivisions. No part of this Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing by Target.
7. **Entire Agreement.** This Agreement represents the full and complete terms of the settlement entered into by the Parties with respect to the subject matter of this Settlement Agreement. In any action undertaken by the Parties, no prior versions of this Agreement and no prior versions of any of its terms that are not part of this Agreement, may be introduced for any purpose whatsoever.
8. **Waiver, Modification, or Amendment.** This Settlement Agreement shall not be subject to waiver, modification, or amendment, unless by written instrument duly executed by all Parties. Waiver of a right under this agreement shall not be deemed a waiver of any other right. Forbearance, temporary waiver, or other failure to enforce any right under this Agreement shall not constitute a permanent waiver. This Agreement is agreed upon without trial or adjudication of any issue of fact or law or finding of liability of any kind and shall not be construed or used as a waiver or limitation of any defense otherwise available (including, but not limited to, jurisdictional defenses) to Target or any other Target Released Entity in any action (including, but not limited to, the Action) or any other proceeding.

9. **Arm's Length Negotiations.** The Parties agree and stipulate that this Agreement was negotiated on an arm's-length basis between parties of equal bargaining power. The Agreement has been drafted jointly by counsel for each Party.
10. **Counterparts.** This Agreement may be executed in counterparts, and a facsimile, DocuSign or .pdf signature shall be deemed to be, and shall have the same force and effect as, an original signature.
11. **Governing Law.** The terms of this Agreement shall be governed by the laws of the State of Oregon.
12. **Settling Subdivisions' Participation in Global Settlement.** If, within six (6) months after execution of this Agreement, Target enters into a global settlement, *i.e.*, a settlement that resolves opioid-related claims with at least ninety percent (90%) of the municipalities or subdivisions where Target operated a pharmacy that dispensed opioids ("Target Global Settlement") and if a Settling Subdivision to this Agreement would otherwise qualify for the Target Global Settlement but for its release under this Agreement, the Settling Subdivision will not be prohibited from pursuing from the Target Global Settlement fund the difference between its Individual Settlement Amount and any settlement allocations it would receive on or before December 31, 2026, under the Target Global Settlement, provided that this paragraph does not create any additional obligations on Target and provided that Target is not required to pay an additional monetary amount to either the Settling Subdivision or the Target Global Settlement because of the Settling Subdivision's participation in either this Agreement or the Target Global Settlement. A Settling Subdivision must pursue this amount prior to December 31, 2026.
13. **Confidentiality.** The Parties and their representatives, including their attorneys, shall not directly or indirectly issue any press release, convene any press conference, or otherwise initiate publicity with the media (including but not limited to newspapers, magazines, television, radio, podcast, online publications or broadcasts, social media, or other publications or mass media) regarding this Agreement or its terms.

The Parties and their representatives, including their attorneys, shall not disclose the terms of this Agreement to plaintiffs, potential plaintiffs, or counsel to the same involved in any opioid litigation in state or federal court.

Notwithstanding the foregoing, the Parties and their representatives, including their attorneys, may disclose to other parties and to any court the fact that the Actions have been settled without disclosing the Aggregate Settlement Amount, Net Settlement Payment, or other terms unless otherwise required by law, governmental procedure, or court order, such as if required by a public records request or as part of the approval process. Target may disclose terms of this Agreement to any attorney, auditor, or insurer as reasonable to act on its behalf.

Target acknowledges and agrees that the Settling Subdivisions are subject to federal, state, and local public disclosure requirements, including but not limited to the Oregon Public

Records Law, and that nothing in this Agreement shall be construed to prevent or prohibit the Settling Subdivisions from complying with their legal obligations under such laws.

14. Miscellaneous

- (a) Each Party warrants and represents that it has the power and authority to enter into this Settlement Agreement and that this Settlement Agreement, and all documents delivered pursuant to this Settlement Agreement, are valid, binding and enforceable upon it. Further, each Party warrants and represents that no consent, approval, authorization or order of, and no notice to, or filing with any court, governmental authority, person or entity is required for its execution, delivery and performance of this Settlement Agreement.
- (b) None of the Parties has expressed any facts, representations, express or implied warranties, except as expressly contained in this Settlement Agreement.
- (c) This Settlement Agreement shall: (i) continue perpetually and shall be binding upon each of the Parties and their respective heirs, successors, and assigns; and (ii) inure to the benefit of each of the Parties and their respective heirs, successors, and assigns.
- (d) Each party (by virtue of the person signing this Agreement on such Party's behalf) expressly warrants and represents that it has carefully read this Agreement, has been represented by counsel in connection with the Actions and this Agreement, understands the content and effect of this Agreement, and signs this Agreement voluntarily and knowingly as its own free act.

15. Venue. Any suits, actions or proceedings arising out of this Agreement shall be brought exclusively in the courts of Oregon.

16. Notice. All Notices under this Settlement Agreement shall be provided to the following Notice Designees via email and Overnight Mail. Notice shall be effective two days after the mailed document is sent.
