RE: Review and Determination Regarding Vernonia Rural Fire Protection District's Request for Reimbursement, Certificate, and Cost Bill

The Board of County Commissioners has reviewed the request for reimbursement, certificate, and cost bill submitted by the Vernonia Rural Fire Protection District for a portion of their operational costs incurred due to the impact on the district of natural gas exploration, development, transportation, and storage in the Mist gas field. The Board has determined that the documentation is adequate and that the operational costs incurred meet the requirements for which the Board originally approved reimbursement under ORS 275.275(2) in Order No. 338-94.

The Board hereby requests that you verify the cost bill sought for reimbursement, as required by ORS 275.275(5), and sign and return the attached verification document to the Board of Commissioners' Office.

Thank you,
