**Senate Bill 819 Application – ACTUAL INNOCENCE CLAIM**

**The Columbia County District Attorney's Office will review every fully-completed SB 819 application pursuant to ORS 137.218 (SB 819), with the goal of promoting public safety by delivering justice. Great deference will be given to prior convictions and the sentence originally imposed. Sentence Judgments are the product of careful evaluation by the defense, prosecution, and the court. The public and victims rely upon the finality of that process. Reopening an already closed case is of no small import to the taxpayers who pay for our system of justice, not to mention victims of crime who seek finality in their cases. Therefore, the following instructions must be followed, and questions completely answered before an application will be considered. Incomplete applications will be automatically rejected.**
