Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The public streets and sidewalks in the city of Rainier are consistently in need of construction, reconstruction, improvements, repair, upkeep and maintenance, to promote ease of travel and commerce in and around the city. The city's current revenue sources do not provide adequate funding to support said construction, reconstruction, repair, upkeep and maintenance. The city wishes to enact a \$0.03 (3-cents) per gallon motor fuel tax on all motor fuel dealers to provide such work. The tax applies to both gasoline and diesel fuel. The taxes collected would be wholly dedicated to street and sidewalk projects, subject to city control, as required by the Oregon Constitution.
