

### **Oregon Primary Election May 19, 2020**

**Primary Election ballots have been mailed.** Approximately 39800 ballots have been mailed to registered Columbia County voters. Expect to see your ballot in the mail beginning the weekend of May 2<sup>nd</sup> through the following week. If you have not received your ballot by Thursday May 7<sup>th</sup>, you should consider requesting a replacement ballot.

**Stay home, save yourself a trip, and mail your ballot in.** Return postage is pre-paid! There is no need to apply a stamp or leave your house. Vote early and drop it in the mail (you probably will not want to mail your ballot after Thursday May 14<sup>th</sup>- ballots must be received by county elections by 8pm election day, postmarks do not count).

**Replacement Ballots / Ballot Pickup.** Due to restricted Courthouse access, all requested replacement ballots and new issue ballots will be mailed through May 14<sup>th</sup>. In person pickups will be limited to special circumstances and on appointment only basis.

**Ballot dropsite update- Clatskanie City Hall.** The ballot dropsite formerly at Clatskanie Library has been relocated to City Hall 75 S Nehalem St, Clatskanie.
