Please vote to support the conditional use permit for Bart Hafemam at his Home in Scappoose. The gatherings are respectful, we have church worship some Sundays there too, it's just a wonderful place to congregate in Columbia County for good times and good people. God bless, Danielle Strobel

To whom it may concern,

Please consider issuing a conditional use permit for the Lake House. It's been a wonderful venue that has supported local causes and brought positive attention to Scappoose. Scappoose business' benefit anytime we can attract new foot traffic to our little town. This is a niche venue that fits nicely in our community.

Thank you,
