What an amazing asset to our community it is. Funerals, weddings and class reunions...I have attended them all there. It would a shame to listen to one or two squeaky wheels that are never happy and have them ruin it for everyone.

Sincerely,
Cindy Heil and family

To the planning committee:

As a citizen of Scappoose for over twenty years, thank you for any support you give to Bart Hafeman and the Lake House. Bart has bolstered our community and brought a spirit of celebration and unity to our town. He has been a blessing and I hope that our city government will do whatever they can to show the appreciation he deserves. Thank you!
