The criteria to be used in deciding this request will be found in some or all of the following documents and laws, as revised from time to time: Columbia County Comprehensive Plan; Columbia County Stormwater and Erosion Control Ordinance; Columbia County Zoning Ordinance- Section 1020 Community Service – Recreation, Section 1100 Flood Hazard Overlay, Section 1170 Riparian Corridors, Wetlands, Water Quality, and Fish and Wildlife Habitat Protection Overlay Zone, Section 1450 Transportation Impact Analysis, and Section 1550 Site Design Review. The specific criteria applicable to this request will be listed and evaluated in the staff report.

A copy of the applications, all documents and evidence relied upon by the applicants, and the staff reports will be available for inspection at no cost (and will be provided at reasonable cost) at the Land Development Services office located at 445 Port Ave, St Helens, OR and online at <https://www.columbiacountyor.gov/departments/LandDevelopment/planning-commission> at least 7 days prior to the Planning Commission hearing. Written comments on the issue can be submitted via email to Planning@columbiacountyor.gov or via U.S. Mail to Columbia County, Department of Land Development Services, 230 Strand Street, St. Helens, OR 97051.

The hearing will be held according to the procedures established in the Zoning Ordinance. Interested parties may appear and be heard. The applicant has the burden of presenting substantial evidence showing that the application meets all of the applicable criteria. Following presentation of the staff report, the applicant and other persons in favor of the application will be allowed to address the commission, explaining how the evidence submitted meets the applicable criteria. Following the applicant's presentation, any person in opposition to the application may present evidence and testimony against the application. Then those who are neither in favor nor opposed the application will have an opportunity to present evidence and testimony. The applicant will then have the opportunity to rebut any of the evidence or testimony presented. After the presentation of evidence and arguments, the public hearing record will be either left open or closed by the Planning Commission.

The Commission will then make a tentative decision to be followed by approval of a written order and a statement of findings and conclusions supporting the decision, which will be mailed to those entitled to notice at a later date. The Commission may continue the hearing to a time and date certain in the future.

Failure of an issue to be raised in a hearing, in person or by letter, or failure to provide statements or evidence sufficient to afford the decision maker an opportunity to respond to the issue precludes appeal to the Board based on that issue.
