

Columbia County Road Department

Special Transportation and Hauling Permit

1054 Oregon Street, St. Helens, OR 97051 ž Ph 503-397-5090 ž Fx 503-397-7215

Expiration Date: _____

Permit Number: _____

This permit is required by the Columbia County Road Department for all vehicles with weights in excess of 80,000 lbs., and for all trucks hauling on the restricted roads as listed on the back of this form. Pursuant to Oregon Revised Statutes 818.010-818.440, the Columbia County Road Department may issue special transportation permits for vehicles and combination vehicles for gross vehicle weights in excess of 80,000 lbs. This permit allows owners and vehicle operators to operate designated vehicles on county roads, except those on the back of this page (unless specifically authorized below in the Special Provisions), up to a maximum gross vehicle weight of 105,500 lbs. with a valid permit for such weight from the Oregon State Highway Department, and comply with Oregon Revised Statutes 483.520-483.545 as they apply, subject to the following conditions:

1. The County reserves the right to revoke this permit at any time.
2. Nothing in this permit shall allow vehicles to travel over roads or bridges in excess of any posted weight restriction (unless authorized below in the Special Provisions). Current list of restricted roads and bridges are on the reverse side, and the County reserves the right to revise this list at any time without notice..
3. The permittee must have a valid Transportation Permit from the Oregon State Highway Department for the subject weight of the vehicle and shall satisfy all the requirements of the permit.
6. The permittee is required to take all precautions necessary to safeguard the traveling public.
7. Should any claim be made for acts performed by the permittee, its agents or assigns during the term of this permit, the permittee shall indemnify Columbia County and hold it harmless therefrom.
8. Permittee promises to return the County Road to its original condition (the condition of the road prior to any hauling operation). Failing to do this, the permittee shall be liable to Columbia County for the costs of repairs necessitated to return the road to its original condition, plus all costs incurred, including court costs and attorney fees, in repairing the road.

Columbia County Road Restrictions

As of June 2, 2011

Permittee shall be responsible and liable for all accidents or damage to any person or property resulting in the issuance of this permit. This permit is issued in conjunction with State Highway Permit, and permittee has necessary insurance required by Oregon State Highway Department.

Overall Restrictions:

Wheels - Must be equipped with tires of sufficient size that the gross axle and tandem axle weight of any axle or tandem axles of a vehicle does not exceed 550____ 600____ pounds per inch of the tire width.

Road & Weather - Movement is not permitted when road surfaces are hazardous due to ice, snow or frost or when visibility is restricted to less than 500 ft by fog, smoke, or other atmospheric conditions if the width is in excess of 8 ft or if the overall length is in excess of 60 ft.

Hauling Hours & Days - Unless otherwise endorsed hereon, movement having a width in excess of 8 ft or an overall length in excess of 60 ft are strictly prohibited during Saturday afternoons, Sundays, holidays or during the hours of darkness. The holidays the restrictions apply to, are New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. Whenever any of said holidays fall on a Sunday, then the following Monday shall be deemed the holiday.
