Section 5.04 Passing Through Of Certain Rate Changes

Notwithstanding the provisions of Sections 5.01 and 5.02, upon recommendation by the Administrator or upon its own recommendation, the Board may, by order or resolution, approve the passing through to customers on a proportional basis any changes in disposal site and transfer station rates that are authorized by governmental bodies.

In allocating the fee changes in fees and costs to the classes of customers, the Board shall use the following formula:

Residential Customers: An increase or decrease of two and one quarter cents (\$.0225) per can for each \$1.00 per ton change in fee.

Container (Drop Box) Customers: An increase or decrease of fifteen cents (\$.15) per loose yard for each \$1.00 per ton change in fee.

Transfer Station Customers: An increase or decrease of \$1.00 per ton (\$.0005 per pound) for each \$1.00 per ton change in fee.

The date that the increased or decreased disposal fees and/or costs are imposed on the franchise holder shall be the same effective date that such fees and/or costs are imposed on the customers and rates may be adjusted retroactively to accomplish this goal.
