Be It Enacted by the People of the State of Oregon:

OREGON PUBLIC SAFETY COORDINATION GRANT PROGRAM
(General Provisions)

SECTION 1. (1) The Oregon Public Safety Coordination Grant Program is established within the Oregon Criminal Justice Commission to support the coordination of local public safety policy with the goal of reducing individuals' involvement with the criminal justice system.

(2) The Oregon Public Safety Coordination Grant Program consists of grants awarded to counties by the commission in the following program areas:

(a) The Justice Reinvestment Program described in section 53, chapter 649, Oregon Laws 2013;

(b) The Oregon Treatment Court Grant Program established under section 21 of this 2025 Act;

(c) The Oregon Behavioral Health Deflection Program established under section 76, chapter 70, Oregon Laws 2024;

(d) The Improving People's Access to Community-based Treatment, Supports and Services Program established in ORS 430.231; and

(e) Any other grant programs administered by the commission that provide funding consistent with the goals described in this section.

(3) If any of the program areas listed in subsection (2) of this section include eligible applicants other than counties:

(a) Grants may not be awarded to those entities using the procedures described in this section.

Oregon Public Safety Coordination Grant (HB 3069, Section 1)

In 2027, the Oregon Public Safety Coordination Grant will offer counties a singular application process for funding in (4) CJC **program areas**:

- Behavioral Health Deflection Program (BHD)
- Treatment Court Grant Program (TCGP)
- Justice Reinvestment Program (JRP)
- Improving People's Access to Community-based Treatment, Supports and Services Program (IMPACTS)

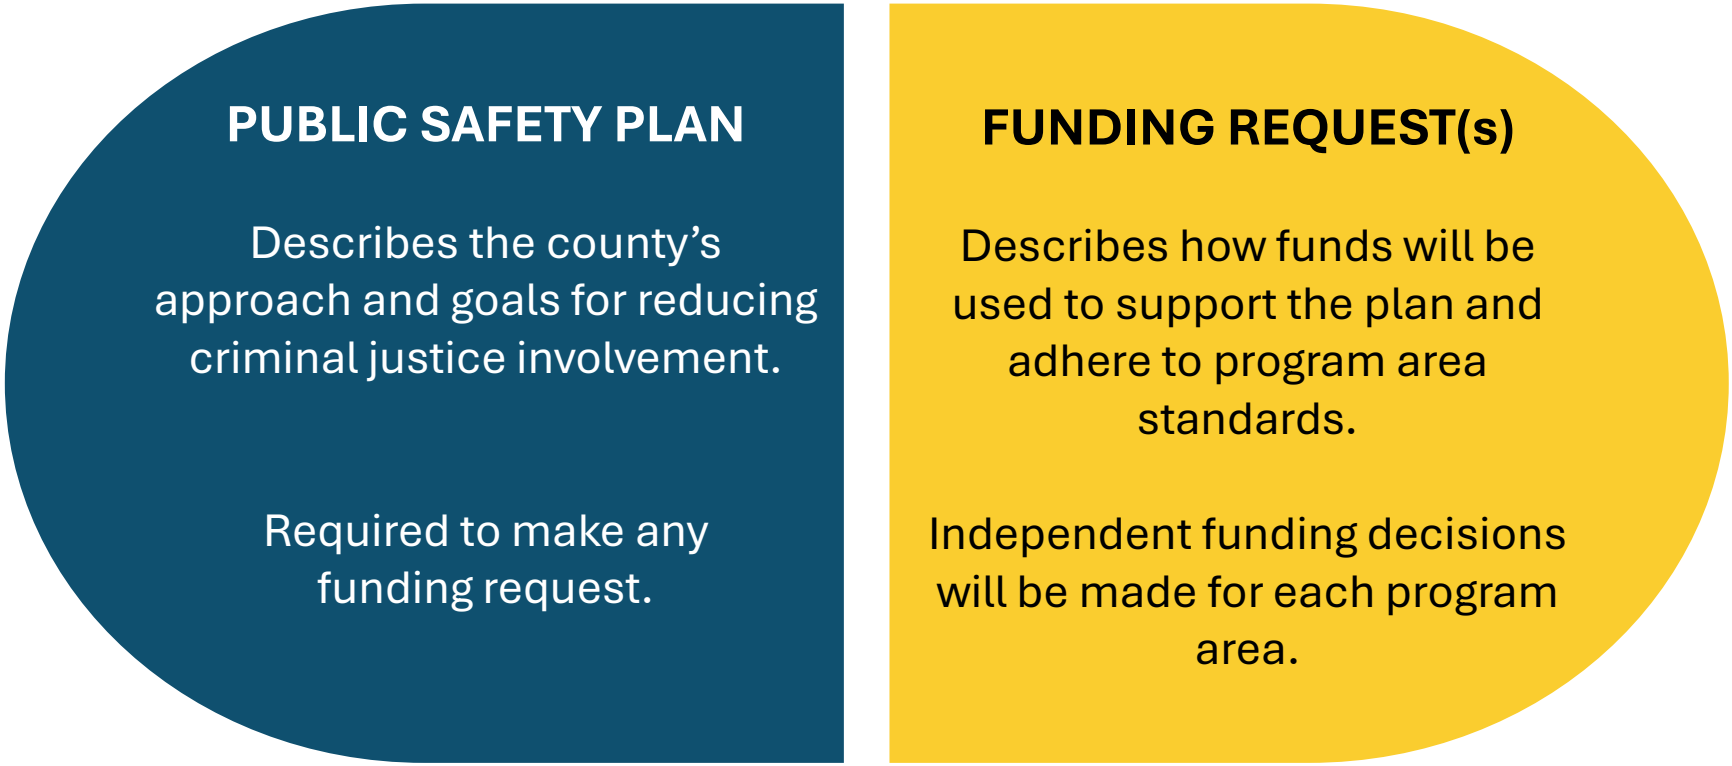

The **purpose** of the grant is to support the coordination of local public safety policy with the **goal** of reducing individuals' involvement with the criminal justice system.

2027 Oregon Public Safety Coordination Grant

OVERVIEW

Per statute, grants awarded must be used to support local programming that:

- Adheres to the county's public safety plan; and
- Adheres to standards or best practices established for any selected program area

2027 Oregon Public Safety Coordination Grant

BIENNIAL PUBLIC SAFETY PLAN

CJC DATA BOOK

- CJC will provide LPSCC with a compilation of county-level data including:
  - Criminal justice data
  - Community health indicators
  - Statutory evaluative measures
- Data will focus on crimes most relevant to program areas
- Data will be presented in a standardized format

LOCAL SYSTEM PROFILE

- LPSCC will use a CJC template to describe:
  - How the county's justice system is organized and funded
  - Policies or programming designed to reduce individuals' involvement
- Areas of focus will include (when applicable):
  - Deflection
  - Pretrial release
  - Diversion
  - Sentencing
  - Reentry

COUNTY GOALS

- LPSCC will review Data Book and Profile to identify and report:
  - Local public safety priorities
  - System-level gaps or patterns requiring attention
  - Goals for reducing individuals' involvement with the justice system
- Goals must be specific and measurable using CJC data
- A CJC template will be provided

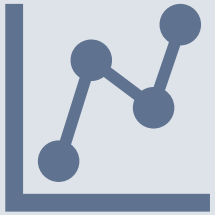

Example

CJC DATA BOOK

Contextual Data

- Overdose rate is higher than expected
- Access to care metrics are lower than expected
- Arrests for PCS are increasing

System Data

- Deflection enrollment is stagnant
- PCS cases sentenced to supervision are increasing
- Tx Court referrals are low
- Prison sentences are below baseline

Evaluative Measures

- Deflection program is performing below standards, particularly re: warm handoffs
- Tx Court is meeting standards overall but needed improvements identified re: timely access to services

Specific, Measurable Goals

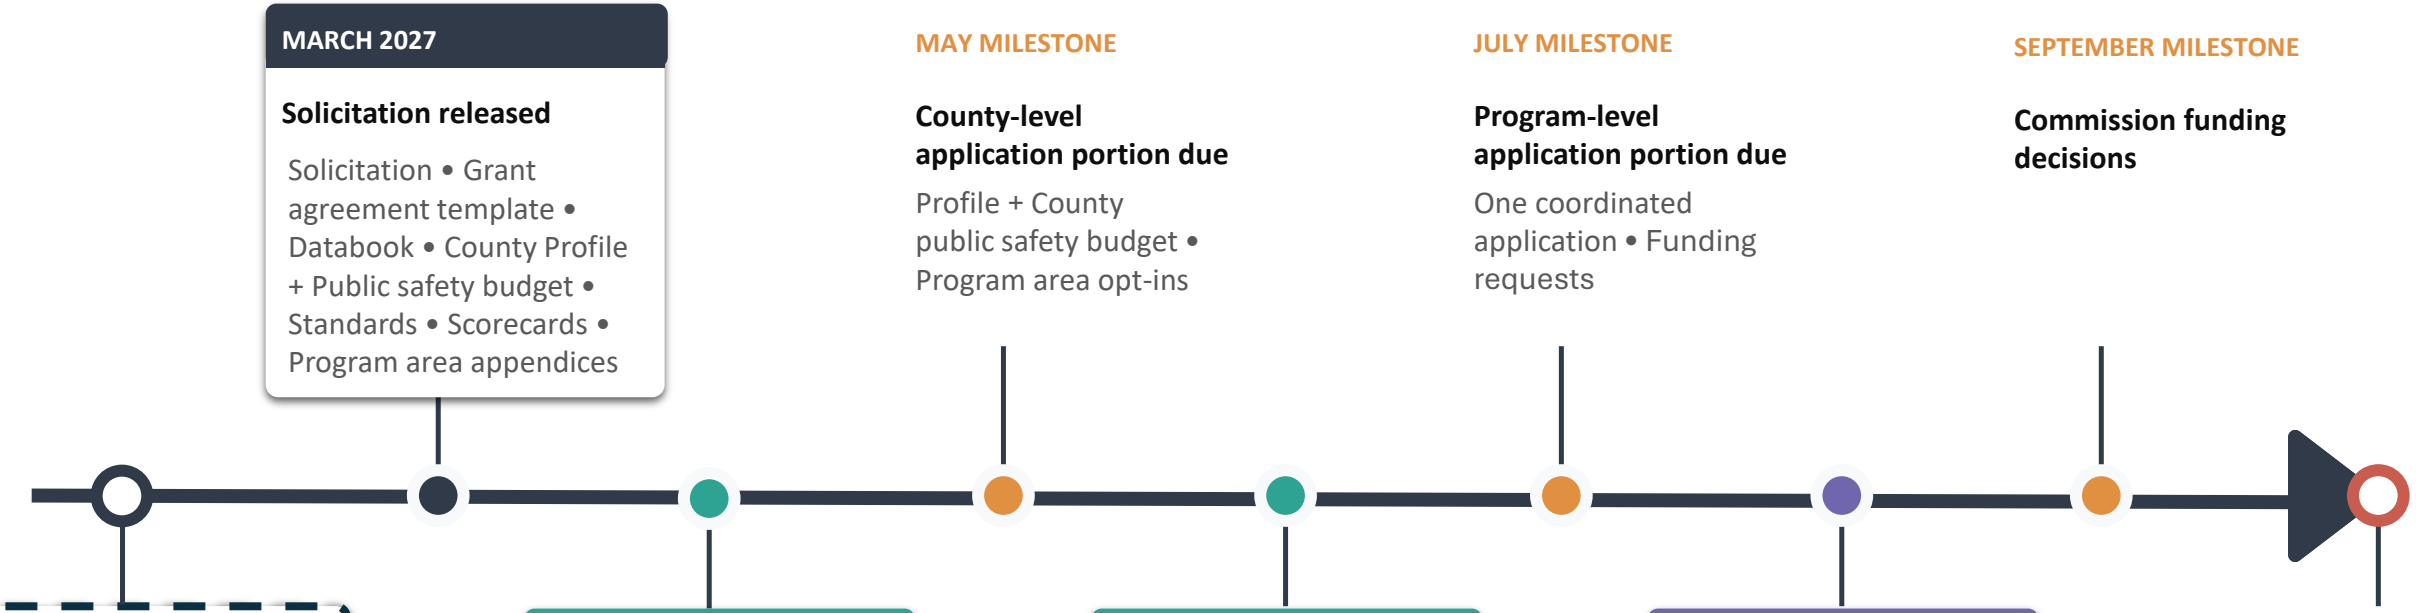

- Reduce PCS cases filed by 15% before July 2029
- Increase Tx Court referrals by 15% before July 2029
- Achieve compliance with 80% of measures for Tx Court Standard #4 by July 2029

Focused, Aligned Funding Requests

- BHD funds to support restructured deflection program that incorporates peer navigators
- TCG funds to supplement court with increased assessment and treatment capacity
- JRP funds to sustain downward departure program and transitional services for STTL individuals

2027 Justice Reinvestment Program Funding Changes

- In 2027, as part of the Oregon Public Safety Coordination Grant, the Justice Reinvestment Program will offer (3) separate opt-in funding opportunities for counties:
  - Funding for programs designed to reduce recidivism and prison use (traditional JRP "formula" grant)
  - Funding for programs designed to reduce recidivism and substance use (Measure 57 grants previously administered by DOC)
  - Funding for downward departure prison diversion programs (formerly JRP "competitive" grant)

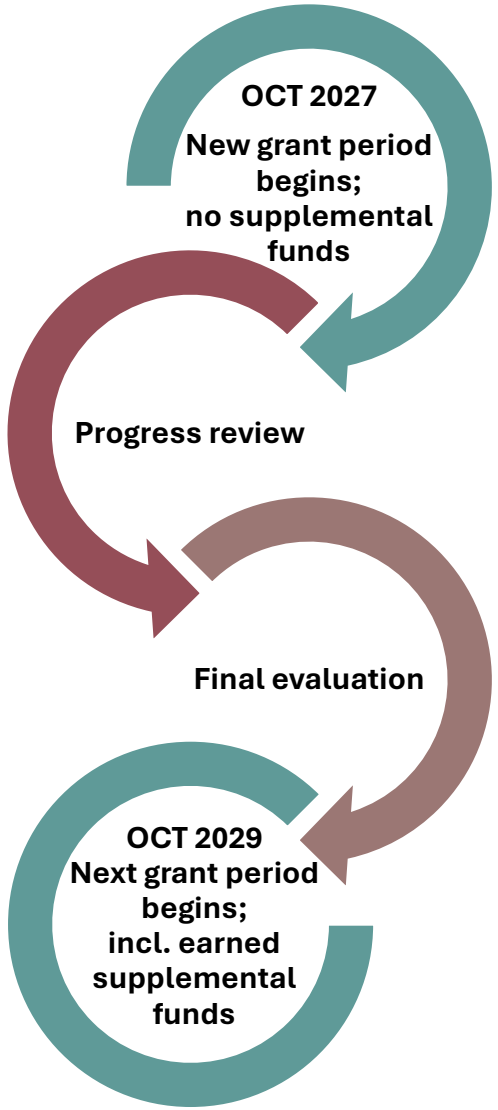

- A new funding distribution methodology is applied to all JRP funds holistically.

2027-29 JRP Funding Distribution	
10%	Awarded to community-based victim service providers
15%	Set aside for a separate supplemental public safety funding process based on CJC performance evaluations
remainder	Distributed to counties according to DOC baseline formula (all grants)
NOTE: Up to 3% may be retained by CJC for statewide outcome evaluations	

2027 Oregon Public Safety Coordination Grant

EVALUATION

- Per statute, at the conclusion of the grant period CJC will evaluate each county for:
  - Progress toward defined county goals
  - Avoided state costs related to public safety
  - Adherence to standards/best practices
- Within one year of awarding funds, and prior to a **final** evaluation, CJC must provide each county with a progress evaluation.
- Counties that demonstrate satisfactory performance on the final evaluation are eligible to receive supplemental funding to support local public safety priorities.
  - Supplemental funds will be distributed via DOC baseline formula with the next biennium grant award.

Next Meeting: November 18, 2026 / 11:30a
